Dear Dr. Brannon:

On behalf of the Fulton Education Foundation, we are pleased to recommend a Seed Fund grant award of $117,218 to Northview High School to fund the following concepts:

· Dean of Students/Testing Coordinator—$70,608

· Health Sciences Program—$46,610

The funds will be included in your FY2015 Fulton County Schools budget and are available to be spent beginning July 1, 2014.

The Seed Fund review team was very impressed with your application and presentation and looks forward to seeing the positive impacts of your concept on the students and community of Northview High School.

Congratulations!
