Ms. Maureen Lilly firmly believes ALL students should encounter growth and achievement through a warm and dedicated community of educators. Throughout her 25 years in education, she has carried out that belief by serving as a classroom teacher and literacy coach at Parklane ES and as the CST at both Heritage ES and Love T. Nolan ES. Most recently, Ms. Lilly has served as the assistant principal at Alpharetta Elementary School, and she currently serves as principal at Roswell North Elementary School.

Ms. Lilly is extremely excited for the opportunity to serve as the future principal of Asa G. Hilliard Elementary. She is a New York native who has made Georgia her home for over 30 years. Ms. Lilly earned her Bachelor of Science in Elementary Education from the College of Charleston, her Masters of Education Degree in Early Childhood Education from Brenau University, her leadership certification from the University of Georgia, and her Education Specialist Degree in Educational Leadership from Valdosta State University.

Ms. Lilly is an accomplished principal. Under her leadership, Roswell North ES improved from a D school status to a “C” during her first year as principal. The school currently enjoys a “B” rating as measured by the CCRPI state accountability system. Through the implementation of a robust, job-embedded professional learning program in addition to setting a standard of high expectations, students’ math and ELA proficiency rates increased by double digits. The amount of students reading on or above grade level as measured by the GA Milestones Assessment improved for every grade level. The school’s overall climate rating improved from a 3 GA Star Climate Rating to a 4 GA Star Climate Rating.

Ms. Lilly values teamwork and feedback. She is a proven communicator and has an open-door policy to teachers, parents and students. Ms. Lilly is dedicated to education and looks forward to working with the Asa G. Hilliard community to “Educate, Motivate, and Inspire” high levels of student growth and achievement. Go Panthers!
