**Barnwell Elementary Afterschool Programs**  
**2014-15**  
*Afterschool Programs Coordinator: Ms. Jennifer Carroll: CarrollJ1@fultonschools.org*

**You Gotta Have Art:** A hands-on program for students to explore their creativity and engage in art related activities.

**Building Character:** A program dedicated to teaching students the six pillars of character: respect, responsibility, trustworthiness, fairness, caring, and citizenship through the art of theatre and play.

**Chess Club:** A structured, fun program that teaches students to analyze and problem solve through the art of chess.

**Foreign Language Adventure:** Students will engage in a fun program which combines music, movement, art and dramatic play to teach kids to speak Spanish.

**Strive Fitness:** This exciting program, is a fun filled fitness program designed specifically for children to instill a love and passion for a healthy and active lifestyle.

**Imagine That:** This is a S.T.E.M. (Science, Technology, Engineering, and Math) themed program dedicated to provide an exciting hands-on educational approach for children.

**YMCA Primetime:** General afterschool childcare with assorted supervised activities for homework completion, and structured kinesthetic play.

**European School of Music:** The European School of Music offers music study for children, both beginning and advanced. Instructors tailor the educational experience to meet individual needs, for performance, pure pleasure and relaxation.

**Discover Marine Science:** An exciting, hands-on experience for students to explore the wonders of marine science.

**The Tutor Shop After School Program** - A unique, educationally based after school program located in Barnwell with degreed teachers that will help your children complete their homework, projects, and study for tests along with other components like art, drama, study skills and more, Monday thru Friday dismissal up until as late as 6:30. For more information visit: [www.tutorshops.com](http://www.tutorshops.com) or call Hal at: 404-610-1531.

**Grounded Yoga:** A program that offers the Focus Series, Superheroes Yoga, and the United States of You sequences for building body awareness, increasing flexibility, and fostering self-esteem.
