

In this i-Ready user guide, you will find information regarding the purpose of the i-Ready software, recommended summer usage, login procedures, and other technical information.

**Purpose:** i-Ready is an adaptive reading and mathematics software built for the Georgia Standards of Excellence. i-Ready Reading assesses students' mastery of phonics, vocabulary, comprehension, and text analysis standards and provides students with a personalized learning progression based on this assessment. i-Ready Math addresses the emphasis on conceptual understanding through reasoning, modeling, and discussion that explores the structure of mathematics while also developing students' procedural fluency. Students engage in instructional lessons that include videos, interactive activities, and guided practice aligned to reading and math skills they have not yet mastered. During the summer, we recommend students complete two to three sessions a week in both reading and mathematics as a supplemental resource to review and practice vocabulary, comprehension, text analysis, computational fluency, problem solving, and mathematical reasoning.

Please remember the best way to improve your students' reading is to read aloud to them daily and have them read independently for at least 20 minutes a day (this includes the summer)!

**Students who have access to i-Ready:**

Reading: students enrolled in Grades 4-8 during the 2017-2018 school year

Math: students enrolled in Kindergarten-Grade 8 during the 2017-2018 school year

**Recommended usage over the summer:** 2-3 days a week for about 20-25 minutes a day

**Timeline of when it will be available online at home:** May 15-July 17

*\*LaunchPad and digital content found on LaunchPad will not be available from July 18-August 5.*

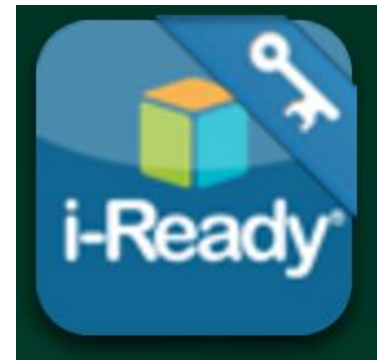

**Recommended browser:** Chrome (i-Ready is not available on iPads at this time)

**Step 1:** Go to <http://launchpad.fultonschools.org>

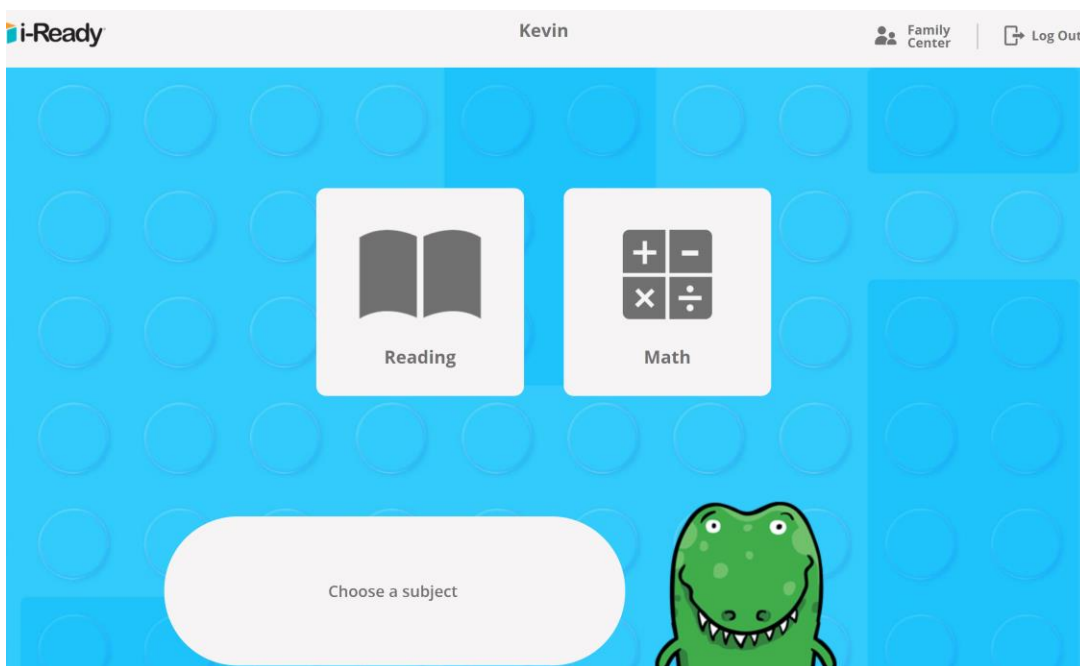

**Step 2:** Enter your username which is your 10-digit student ID. Your password is your birthdate: MM/DD/YYYY. (do not include slashes)

**Step 3:** Fulton County Schools LaunchPad page will appear. Click on the **i-Ready app**.

**Step 4:** Click on i-Ready Reading or i-Ready Math.

**Step 5:** Click on a lesson to begin.

If you have any questions regarding i-Ready access, please contact Kelley Webb, Director of Humanities, [webbk@fultonschools.org](mailto:webbk@fultonschools.org), Susan Baker, STEM Director – Mathematics, [bakers1@fultonschools.org](mailto:bakers1@fultonschools.org), or Michelle Easley, Instructional Technology Program Specialist, [easleym@fultonschools.org](mailto:easleym@fultonschools.org).
