

College Park Elementary School  
Governance Council  
Meeting Summary  
November 30, 2018

Meeting was called to order by Chairperson Ladipo. Agenda adjusted, minutes read and approved. Dr. Otway gave an overview of the College and Career Ready Performance Index (CCRPI). College Park has historically been a failing school using the CCRPI. College Park is on the Governor's Office of Student Achievement and school improvement list. As a school we are making improvements. Balanced Literacy and Balanced Math Framework were discussed as an initiative to achieve success. Council member will be transitioning out and one is coming in. Budget and new SGC members will be discussed at next meeting.
