CONLEY HILLS ELEMENTARY PARENT INVOLVEMENT POLICY

Title I Advisory Committee Members and Title I parents

PART I. GENERAL EXPECTATIONS

Conley Hills Elementary is committed to the goal of providing a quality education for every child in this school. Consistent with the School's "Vision" statement and Board Policy BA, KD (2), KD (1) and LEBA, parents will be included in all aspects of the School's Title I Program. A partnership will be established with parents, school and the community. Everyone gains when the school, parents, and community work together to promote high student achievement. Neither the school nor parents can do the job alone. Parents play an extremely important role as children's first teachers. Parental support for children and for the school is critical to the success of each child.

The Elementary and Secondary Education Act (ESEA) as amended by the No Child Left Behind Act has strengthened and expanded the requirements for involving the parents of Title I students. Accordingly, ED may not waive the requirement that a LEA spend a minimum of one percent of its Title I, Part A, and Subpart 2 allocation on parent involvement activities. In Section 1118 of the ESEA, these requirements add parent consultation and information by explicitly requiring the District and schools to develop a written Parental Involvement Policy. For purposes of the District's structure, the District calls this "policy" a "statement".

PART II. GENERAL REQUIREMENTS

At a minimum, the School agrees to implement the following statutory requirements:

- The School will put into operation programs, activities and procedures for the involvement of parents. Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.
- In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the School will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- The School will involve the parents of children served in Title I, Part A in decisions about how the minimum of one percent of Title I, Part A funds reserved for parental involvement is spent.
- The School will be governed by the following statutory definition of parental involvement:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

- (A) parents play an integral role in assisting their child's learning;
- (B) parents are encouraged to be actively involved in their child's education at school;
- (C) parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- (D) the carrying out of other activities, such as those described in section 1118 of the ESEA.

The School will inform parents and parental organizations of the purpose and existence of the Parent Resource Center.

PART III. DESCRIPTION OF HOW SCHOOL WILL IMPLEMENT REQUIRED SCHOOL PARENTAL INVOLVEMENT STATEMENT COMPONENTS

1. The School will take the following actions to involve parents in the joint development of its school wide parental involvement plan under section 1112 of the ESEA:
 - No later than September of each school year, a letter will be sent to all parents. This letter will inform them of the ESEA, Title I funding and parental involvement opportunities scheduled throughout the school year.
 - All parents will be invited to attend a meeting during the first semester to discuss the total school program as well as to give input regarding updates to this plan.
2. The School will build the school and parent's capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement through the following activities specifically described below:
 - A. The School will provide assistance to parents in understanding topics such as the following:
 - the State's academic content standards,
 - the State's student academic achievement standards,
 - the State and local academic assessments including alternate assessments,
 - the requirements of Part A,
 - how to monitor their child's progress, and
 - how to work with educators.
 - B. The School will provide materials and training to help parents work with their children to improve their children's academic achievement, such as literacy training, and using technology, as appropriate, to foster parental involvement, by offering of workshop opportunities and activities.
 - C. The School will educate its teachers how to reach out to, communicate with, and work with parents as equal partners, in the value and utility of contributions of parents, and in how to implement and coordinate parent programs and build ties between parents and schools, by: facilitating Principal and Parent Liaison workshops and learning opportunities to filter appropriate information.
 - D. The School will take the following actions to ensure that information related to the school and parent- programs, meetings, and other activities, is sent to the parents of participating children in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand.

EMERGENCY SCHOOL CLOSING

In the event of an emergency such as fire, gas leak, explosion or bomb threat, which would require removing students from the school grounds, students will be evacuated to Sigma Zeta Foundation Center located at 2626 DeLowe Drive. The telephone number is 404-559-9022. Students will be released from the community center to parents, legal guardians or a responsible adult designated by the parent.

In case of fire, gas leak, explosions or bomb threat:

- Do not try to contact the school.
- Students will be evacuated to Sigma Zeta Foundation Center.
- Students will follow their regular dismissal procedures from Sigma Zeta Foundation Center.

In case of a tornado:

- Do not try to contact the school.
- Do not come for your child.
- Children will be moved to an area in the school building designated for safety during a tornado.
- Bus drivers are trained in procedures to ensure the safety of children during a tornado.
- A battery-operated radio will be used at school in case of electrical failure and will allow the school to follow the progress of a tornado.
- Parents should listen to the radio or watch television for all emergency broadcasts.

We have a comprehensive crisis plan that is updated regularly and practiced annually. Each staff member is familiar with these procedures and we continually review them and adjust as needed.

ATTENDANCE

The school day starts at 7:40a.m and dismisses at 2:20p.m. All students are expected to be in their classrooms no later than 7:40 a.m. Any student arriving after 7:40 a.m. is tardy and must check in with the office before going to class.

According to House Bill 1190, parents/guardians of school-age children who have five or more unexcused absences could be subject to one or more of the following penalties at the discretion of the court:

- A fine not less than \$25.00 and not greater than \$100.00.
- Imprisonment not to exceed 30 days, or
- Community service.

Excessive tardiness and/or absences will result in a referral to the school social worker/visiting teacher.

A student who is absent or tardy must bring a written excuse signed by a parent/guardian the day the student returns to school. The excuse should include the following information: the date or dates the student was absent; the reason for the absence(s); and the parent's/guardian's signature.

The Georgia Board of Education lawfully excuses students for the following reasons: personal illness, death in the family, special and recognized holidays observed by their faith.

If a child is sick and/or running a temperature, he/she should be kept at home.

A student must be in attendance more than one half day in order for him/her to be counted present for that day. A half day is from 7:40-11:00a.m.

All students leaving school before the end of the school day must be checked out through the office by parent/legal guardian, or parent designee. In an effort to minimize interruptions during instructional time, students will not be dismissed before 2:05 p.m. except in the case of an emergency.

THE INSTRUCTIONAL PROGRAM

Conley Hills Elementary includes students from Pre-K through grade five. In all grades, students are placed at their appropriate instructional level in areas of language arts, reading and mathematics. A continuous improvement model is followed to ensure each child progresses from one level to the next at his/her developmental rate. Classroom teachers provide instruction in the areas of language arts, mathematics, science, social studies, and health. Subject area specialists provide instruction in the areas of art, music and physical education. Conley Hills Elementary is also a Fulton County S.T.E.M. Charter School.

Special programs for students in kindergarten through fifth grade include services for students with Emotional Behavior Disorders, Specific Learning Disabilities, Mildly Intellectual Disabilities, Early Intervention Program, Talented and Gifted, and ELL (English Language Learners),

Instruction is enhanced by technology and ongoing professional development for staff to assist students in each of the major subject areas. During the school year, your child may be involved in using the Internet as an educational resource. Restrictions have been placed on the school network to block or filter certain material from being accessed through the Internet. "Surfing" on the Internet is not allowed.

Students are taught daily by highly qualified teachers. If for any unforeseen reason a teacher is absent for four consecutive weeks or more, in most cases, a highly-qualified substitute will be assigned to the class.

HOMEWORK

Homework is encouraged to support students to working independently, to reinforce skills already mastered, and promote good study habits. Students are assigned homework Monday – Thursday with Fridays being optional. Below are recommended times for completion of homework:

Grades K - 2 - 5:	20 minutes four times per week.
Grade 3:	30 minutes four times per week.
Grade 4:	40 minutes four times per week.
Grade 5:	50 minutes four times per week.

PROGRESS REPORTS/REPORT CARDS

Report cards are issued four times during the school year and progress reports are issued three times per year. Distribution dates are available on Conley Hills' calendar of events.

TESTING AND SCREENING PROGRAM

The Fulton County Board of Education has established a system-wide testing program designed to provide information concerning the extent to which students are acquiring knowledge and skills essential to further learning.

Students in grades 3-5 will be administered the Georgia Milestone Assessment System (GMAS) during the spring of 2018. Students will be tested on Reading, Language Arts, and Mathematics, Science and Social Studies. The Georgia Kindergarten Inventory of Developing Skills (GKIDS) provides teachers with ongoing diagnostic information about kindergarten students' developing skills in language arts, math, science, social studies, social/emotional development, and approaches to learning. Data collection system allows teachers to generate reports at any time during the year for: instructional planning, parent conferencing and report cards. GKIDS only serves as one component among many indicators of first grade readiness.

INSTRUCTIONAL MATERIALS AND SUPPLIES

Textbooks, along with other materials and supplies are furnished free of charge to all elementary students. If a textbook or library book is lost or damaged, a fee will be charged.

FIELD TRIPS

Field trips are planned to supplement and enrich units of school work. In an effort to ensure student safety, transportation is provided by Fulton County school buses for a reasonable fee. No child shall be denied permission to attend field trips due to inability to pay; however, a student may be denied this privilege due to inappropriate behavior. Every child must have written permission from parent/legal guardian before going on a field trip. **Parental permission for field trips must be in the form of a signature on the Fulton County Permission Slip form. Conley Hills Elementary School does not accept verbal permission for field trips.**

COMMUNICATION WITH PARENTS

Teachers will place a “welcome call” to parents/legal guardians of all students during the first two weeks of school. Each grade level will participate in a web-based communication application, as well as send home a monthly newsletter regarding specific grade level matters.

Parent/teacher conferences, student-led conferences, as well as parent/principal conferences are an integral part of reporting pupil progress. We regard parents as partners in the education of their children, our reporting system emphasizes a close relationship between the home and the school. We consider it important to have regularly scheduled conferences in order for parents and teachers to share information concerning their child.

A parent/teacher conference is scheduled for the first and second semesters of the school year. Other conferences may be initiated by the parent, teacher, or principal and held at a mutually agreed upon time. Parents are asked to call the school to arrange conferences. Whenever a conference is scheduled during the school day, parents are requested to check in at the office to be escorted to the classroom.

CLASSROOM VISITATION

Parents are welcome to visit the school and their child’s classes. For the protection of our students, all parents, volunteers, and/or visitors must always report directly to the office and check in before visiting other areas in the building. During class visits, parents are encouraged to observe and interact with their child only. Photographs and audio/video recordings of any kind may not be taken.

As a courtesy to the teacher, parents are encouraged to make an appointment for all classroom visits. Contacting the teacher by note or telephone, at least one day in advance, is recommended. If it is not possible to contact the teacher before or after school hours, please contact the office by telephone or note to arrange visitation.

Classroom visitations are not a time for teacher/parent conferences. As such, teachers will not be able host conferences during this time. The regular school program must continue during your visit.

IRREGULAR DEPARTURE FROM SCHOOL

In order to ensure student safety, the following rules regarding irregular departure from school will apply:

If a student does not plan to go home in the regular manner, the student must show a letter of permission to the classroom teacher from the student's parent/legal guardian, before school begins, on the date of the irregular departure.

If it is necessary for a student to leave school early, discuss this with the student and send a note to the student's teacher. Any student leaving before the regular dismissal time must be signed out through the office by a parent/legal guardian or parent designee. A picture ID may be required before the student is released to someone other than the parent and/or legal guardian.

Students will not be released from school at any unscheduled time without a written explanation of the reason from a parent/legal guardian. Students are released only from the office. Students can be released to a parent designee only after parent/legal guardian has notified the office. However, in an effort to minimize interruptions during instructional time, we encourage parents to allow students to stay in school for the entire school day. **Note: Students cannot be checked out of school between 1:45-2:15 PM.**

TRANSPORTATION

In general, bus transportation is provided for children who live one and a half miles or more from the school. Children must get on and off the bus at their own stop unless the bus driver is provided with written permission from the director of transportation or the principal.

Riding the bus is a privilege contingent upon proper and courteous conduct. Students are expected to stay in their seat while the bus is in motion; speak in low voices; refrain from throwing objects; keep heads, arms, and hands inside the bus; keep hands and feet to themselves; cooperate with the bus driver; and, act in a respectful manner.

Students may be subject to disciplinary procedures when bus safety rules are violated. This may include suspension from riding the bus for one or more days.

Under special circumstances, the principal may give written permission to the bus driver for a child to ride a different bus and to be let off at an alternate stop. This will be done only in response to a written request by the parent/legal guardian, space permitting.

CLINIC

The clinic is staffed with a clinic worker, but **not** equipped for serious injury or illness. Children who are ill must be kept at home. Parents/guardians will be contacted when children are injured or become ill at school; therefore, it is essential that student emergency information is provided and kept up to date.

MEDICATION

Students who must take a prescribed medicine during the day must provide the principal or designee, such medicine and an authorization to take the medicine. The medicine will be stored until needed.

If a prescribed medication is necessary in order to allow a student to attend school on a regular basis, a school employee may, under the following conditions, assist in administering the medication to the student:

1. The parent/legal guardian must provide the following:
 - a. written certification by a licensed physician that such medication must be administered to the student during school time.
 - b. written certification by a licensed physician that the student needs assistance for the administering of the medication.
 - c. written instructions from a licensed physician regarding the administering of the medication, including dosage, expected duration of administering the medication and side effects of the medication
2. The parent/legal guardian must take the following action:
 - a. provide written certification that, according to the doctor's instructions, a medication -must be administered to their child.

- b. execute a release (in the form required by the school system) releasing the Board of Education, the school and any system employees from any liability for administering medication.
- c. deliver medication to the school principal (or designee) in its original prescription bottle.

3. Students will not be allowed to have medication at school (prescribed or none prescribed) unless it is kept in the office.

SCHOOL MEAL PROGRAM

Well-balanced meals for breakfast and lunch are served daily by the cafeteria staff under the supervision of an experienced dietitian. A choice of a regular lunch or a salad plate is available for lunch. Milk is served with all meals. If a child is allergic to milk and provides written certification from a licensed physician to that effect, the child may substitute juice for milk with the lunch without an additional cost. For other students who desire, a second drink is available at an additional cost. Children who bring their lunch may purchase milk and/or juice. Soft drinks are not allowed in the lunchroom.

Eligible students may receive free or reduced price lunch and/or breakfast. Applications may be obtained from the office.

All students who are not eligible for free lunch/breakfast must pay for their lunch/breakfast daily. No personal checks, please. Although it is discouraged, students may charge up to three consecutive times, but charges should be paid the following day. If the charges are not paid the following day your child will receive a peanut butter and jelly sandwich until charges are paid according to Fulton County's procedure.

Meal prices are as follows. Prices may be subject to change:

Breakfast	FREE for all CHES students
Reduced Breakfast	\$0.30
Adult Breakfast	\$1.55
Lunch	\$2.35
Reduced Lunch	\$0.40
Adults	\$3.35
Additional Milk or Juice	\$0.50

BIRTHDAY PARTIES AND SPECIAL DAYS

It is Fulton County's policy that birthday parties are **not** allowed to be conducted in classrooms. This is to protect all students from various allergies found in foods offered at birthday parties such as cakes and candies. However, parents may send invitations for an entire class to be distributed for their child's birthday party. Teachers are **not** permitted to distribute invitations to a few selected students. Also, candy for special days such as Halloween, Valentine, and Easter is prohibited. Therefore, please do not send or bring bags of treats or candy of any kind.

TELEPHONE USAGE

All school telephones are used for school related business only. Please consider the following suggestions regarding the telephone:

1. Please do not call the office to deliver a message to your child or ask for your child to be called to the phone unless it is an emergency.
2. Please make sure your child clearly understands what he/she is to do after school (after-school care).
3. Students are discouraged from calling home for lunch money, lunches, musical instruments, homework, etc.
4. If you need to speak with your child's teacher, please leave a message. Staff is encouraged to return calls within 24 business hours.

STUDENT DISCIPLINE

The Fulton County School System takes seriously its responsibility to educate its students in safe and drug free schools where they are free from fear of harm or intimidation by anyone. Therefore, weapons, drugs and gang activity will not be tolerated in Fulton County Schools. Students who violate Board of Education rules specified in the Fulton County Schools Code of Conduct or State laws related to these offenses will be subject to the consequences specified in the Fulton County Board of Education Discipline Cycle. These rules apply to all students

- at school or school-sponsored activities including field trips, and
- on buses, athletic fields, stadiums, parking lots, official school bus stops, and any other sites used for school-sponsored activities.

Violations and consequences include:

Students found with a **DEADLY WEAPON** (pistols, knives with 3" or longer blade, pellet guns, martial arts weapons, razors, etc.) on their body or in their book bag, purse, or locker while on school property faces expulsion from school and will be reported to the police. Violators may be charged with a felony, which can result in a fine of up to \$5000 and/or one to five years in jail.

Students found selling or distributing **ILLEGAL DRUGS** face expulsion from school. Those found in possession of or using illegal drugs will be suspended or expelled from school and will be reported to the police.

Any student who engages in an **ACTIVITY** that threatens, intimidates, or physically harms another student faces possible expulsion from school and the filing of charges with the police. Be advised that if this activity is gang related, additional criminal charges may be filed under the Georgia Street Gang Terrorism and Prevention Act.

Unless authorized by the teacher, students may not bring playing cards, video games, dice, radios, tape recorders, toys, or athletic equipment to school. All such items, if brought to school without permission, will be confiscated. The parent/legal guardian may personally get the item from the principal, assistant principal or teacher.

We, at Conley Hills, believe all students have the right to learn in a safe, non-disruptive, warm climate. In addition to our school-wide Positive Behavioral Interventions and Supports program, PBIS, incentives are provided throughout the year to celebrate students' positive behavior.

Student discipline is the joint responsibility of the school and home. Parental support for good discipline enables the school to maintain a wholesome environment for learning. We are always working to develop self-discipline within each child. We feel it is the child's responsibility to follow established school and class rules. Parents will be notified if their child is presenting discipline problems.

Upon enrollment, each student will receive a **Code of Conduct and Discipline Handbook**, a copy of **Conley Hills' Local Discipline Plan**, and a copy of **Fulton County's Bus Discipline Cycle**. Parents/legal guardians are strongly encouraged to read and become familiar with the district's and school's regulations.

BUS CONDUCT DISCIPLINE PROCEDURES

The principal or other designee at the local school can administer disciplinary action for bus misconduct. School buses are considered an extension of the school campus. All rules governing student conduct while on campus/school property apply while students are on the school bus. **Because of the additional safety factors and for the protection of the bus driver and students on the bus, school principals have the authority to impose an immediate suspension from the school bus for serious offenses as well as for minor violations.** School bus drivers do not discipline students, although they have the prerogative to assign seats or move students from one seat to another to solve a discipline problem or to assure safety for those on the bus. Consequences will occur after the bus driver has communicated verbal and/or written warnings and has tried intervention strategies and the problem continues. Examples of possible consequences are: verbal/written warning, parent conference, public detention, in-school suspension, out-of school suspension, or bus suspension. Copies of all written bus reports will be sent to the parent/guardian. Depending on the severity of the offense, the administrator will place the student on the most appropriate step of the cycle. The bus discipline cycle does not preclude additional sanctions as provided in policy, procedures, school rules, or federal state and local laws.

1st Bus Offense	Student conference will be held with school administrator or official.
2nd Bus Offense	Student may be placed on bus probation and parent will be notified that on next bus offense student may be suspended from the bus.
3rd Bus Offense	Student may be suspended from riding the bus for one (1) or (2) days with parent contact or notification.
4th Bus Offense	Student may be suspended from riding the bus for two (2) or three (3) days with parent conference requested.
5th Bus Offense	Student may be suspended from riding the bus for three (3) days with parent conference requested.
6th Bus Offense	Student may be suspended from riding the bus for three (3) to five (5) days with parent conference requested before student returns to school and may be referred to an informal Disciplinary Hearing.

Students may be placed on step 3, 4, 5, or 6 for major or dangerous offenses such as:

- Disruptive behavior-fighting, wresting, scuffling, hazing, harassment, intimidation
- Failure to identify oneself or giving false identification
- Ignition of lighters, matches, etc.
- Insubordinate/defiance of authority
- Leaving bus without permission
- Riding bus without permission including when suspended
- Obscene, inappropriate language, gesture, and or acts
- Sexual misconduct/offenses
- Activating of emergency alarm
- Placing objects or body parts out of the windows when bus is in motion
- Possession of a dangerous instrument
- Smoking, dipping, use of drugs/alcohol, or possession of related products
- Theft/vandalism of school or personal property

DRESS CODE

Students are expected to dress and groom themselves in such a way as to reflect neatness, cleanliness, and good taste. All students shall be modestly dressed and groomed so as not to distract unreasonably the attention of others or to cause disruption or interference with the educational program or the orderly operation of the school (no mid-drift shirts, no torn or distressed jeans or clothing that reveals skin, shorts should be knee length for 3-5 grades, no see-through clothing, and no high heel shoes).

Students are encouraged not to wear clothing with inappropriate advertisements, or language or apparel that may be gang related; pants are to be worn with a belt so that they are at the waist line and not on the hips; the straps of overalls should be buttoned and worn over the shoulders.

DENIAL OF STUDENT RIGHTS

If a student or parent believes the student is being improperly denied participation in any educational function of a Fulton County school or that the student is being subjected to an illegal rule or standard, the matter should be discussed promptly with the teacher and/or principal.

In instances where the student or parent feels that after contacting the proper and responsible local school individual(s), the question has not been fully answered or given proper consideration, the concern may be directed to the Fulton County Elementary Schools office.

Parents are always welcome to discuss problems and concerns with the Fulton County Schools official who is responsible for the activity in question. However, if the parent or student still feels there is a denial of a basic right, they should telephone and/or outline in writing the alleged denial to the Superintendent of Schools.

TRANSFER POLICY

A student is usually assigned to the school serving the geographic attendance zone in which the student resides. However, exceptions for school assignment may be considered for homeless students; majority to minority transfers; special instructional needs such as magnet programs, ESOL programs, open campus programs and programs for exceptional students; students moving into an attendance zone or out of an attendance zone; employees' children; and other circumstances as approved by the Student Hardship Committee or other policies/procedures. Under the direction of the Superintendent, administrative procedures shall be developed to regulate these exceptions for student placement.

IMMUNIZATIONS

No child shall be admitted to or attend any school or facility unless the child shall first have submitted a certificate of immunization to the responsible official of the school or facility. For a justified reason, however, the responsible official of any school or facility may grant a temporary waiver of the certificate under conditions specified by Georgia law and Georgia Department of Human Resources rules and regulations.

For a child to be exempt from immunizations on religious grounds, the parent or guardian must first furnish the responsible official of the school or facility an affidavit in which the parent or guardian swears or affirms that the immunization conflicts with the religious beliefs of the parent or guardian.

To encourage immunization of children at an early age, the Board invites any parent or guardian of a child between two and six years of age to submit to the Office of Student Services a certificate of immunization documenting completion of all immunizations appropriate for a child of that age.

PARENTS' RIGHT TO KNOW

In compliance with the previous requirements of the **No Child Left Behind** statute, Fulton County Schools informs parents that you may request information about the professional qualifications of your student's teacher(s). The following information may be requested:

- whether the teacher has met the Georgia Professional Standards Commission requirements for certification for the grade level and subject areas in which the teacher provides instruction;
- whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
- the college major and any graduate certification or degree held by the teacher;
- whether the student is provided services by paraprofessionals, and if so, their qualifications.

SCHOOL VISITORS

The District expects that all parents and visitors will treat school staff and students with courtesy. While we are very hopeful that this will not be an issue, you should be aware that Georgia law prohibits certain behavior on school property and in school safety zones. For example, the law prohibits a person from loitering or being on school property without a legitimate need to be there. It requires that visitors check in at the school's designated location. It also provides penalties for individuals who refuse to leave school property when directed. The law also prohibits disruptive conduct on school property, including school buses and bus stops. Additionally, the law prohibits individuals from upbraiding, insulting, or abusing public school employees in the presence of students and minors.

If the educational environment is or could be negatively impacted, the District reserves the right to place restrictions on the ability of certain individuals to come onto campus, attend school events, or interact with staff. We may also place restrictions on individuals who have violated certain school policies or state law. We appreciate your understanding and cooperation as we strive to provide a safe and productive environment for students and staff.

A NOTE FOR PARENTS REGARDING TECHNOLOGY USE

Cell Phone Use: Please review the District's cell phone use policy contained in the Student Code of Conduct, Procedure JD. While cell phones can be an important communication and safety device for families, their use during the school day is prohibited and can be quite disruptive.

Cell phones that are visible or turned on during the school day are subject to confiscation. If a cell phone or other electronic device is found to contain evidence of criminal activity, including types of pornography, that device may be permanently confiscated and relinquished to law enforcement.

Social Networking Web Sites: It has been brought to our attention that many students are logging on to social networking websites such as Facebook. These sites, when used safely, offer young people and adults a unique opportunity to interact. However, when used inappropriately, these sites can become a hurtful or dangerous place for students.

The School District's firewall prevents such access at school, but these sites are being accessed on personal computing devices and/or on home computers. While at school, students are sharing or acting on what they have read. This creates disruptions and negatively impacts peer relationships, as well as the learning environment.

Some students create hurtful web sites and post negative messages about other students and adults. We consider such incidents a form of "cyber harassment". **Please talk with your child about appropriate internet behavior and the importance of never posting something mean, hurtful, profane or obscene online.** Having access to your child's online networking account or internet use is a step in the direction of understanding your student.

Students sometimes share personal information that jeopardizes their safety. For instance, the following pieces of personal information can be found posted by students:

- Suggestive photos
- Home and telephone numbers
- Date of Birth
- Student's real name
- Classmates' personal information
- Personally identifiable journal entries
- School name
- School Location

When a student lists personal information, they are at risk for attracting the attention of online predators that may use this information to search for potential victims. Online predators may pose as teenagers or young adults in order to establish relationships with young people.

Please take time to review your family's safety guidelines for using the Internet wisely. Some helpful websites for Internet safety contracts and discussions with your student include www.netsmartz.org and www.ikeepsafe.org (for younger students).
