Conley Hills Elementary School Third Grade Newsletter

HAPPY NEW YEAR!!!!

Read About What's Happening in JANUARY

Dear Parents

Another year has come and your child has been in school for several months now. GMAS is just around the corner. Your child really needs your help for academic support at home in Reading, Math, Language, Science and Social Studies. This test is very important for your child to pass so we encourage you to give support in these academic areas.
THANKS!!!
