

This club is open to 3rd, 4th and 5th grade students who are interested in a hands-on, traditional craft in today's technology-centered world. This is not your Grandma's sewing club! ☺ With a modern twist, boys and girls will learn a variety of fiber arts, like sewing and weaving. Class size is limited to 24 students.

Meeting info:

- Spring semester, January starting date TBD
- Monday afternoons, from dismissal to 3:30
- Mrs. Knight's art room – 662
- Bring a snack if you wish
- Students should be picked up at the Buice Rd. carpool lane promptly at 3:30.
- Check out some of our class fiber arts projects on my blog, Mrs. Knight's Smartest Artists
- Contact me at knighth@fultonschools.org

Fill out bottom portion to apply and return to Mrs. Knight by August 17. **It is likely that more students will apply than the maximum enrollment of 24, so students will be randomly selected.** You will receive notification of the January start date and confirmation of acceptance/wait list by August 24. Thank you for your interest!
