Make Time to Talk About School

Make time to talk with your child every day, so he or she knows that what goes on at school is important to you. When kids know parents are interested in their academic lives, they'll take school seriously as well. Because communication is a two-way street, the way you talk and listen to your child can influence how well your child listens and responds. It's important to listen carefully, make eye contact, and avoid multitasking while you chat. Be sure to ask questions that go beyond "yes" or "no" answers. Besides during family meals, good times to talk include car trip (though eye contact isn't needed there, of course), walking the dog, preparing meals, or standing in line at a store. These early years of schooling are an important time for parents to be informed and supportive about their child's education.

Lost and Found

Please check the lost and found for items your child may be missing. If you are unable to come to school, please remind your child to check for missing items. **ALL ITEMS THAT ARE NOT CLAIMED WILL BE DONATED TO A CHARITABLE ORGANIZATION.** The last day to claim any items will be May 24th.

Volunteer Registration

The Fulton County School System Volunteer Registration Page is currently under construction. The application will not be available again until June 1st, 2018.
