PARENT FEEDBACK FORM 2017-2018

Please share your input about the following FY18 Title I parental involvement documents and our overall school parental involvement program. Your feedback is essential in helping us to build parent and staff capacity and increase parent and family engagement at E. C. West. We welcome all of your comments and suggestions. Please enter your comments in the spaces provided. If you have no comments at this time, please indicate that in the space also. Thank you

How did you hear about the parent input meeting?

Schoolwide Improvement Plan: (e.g. What types of programs and activities will engage parents? How can we best share student assessment results? etc.)

School-Parent Compact: (e.g. How can the school support you in assisting your child at home to achieve the school and district goals? What are the best ways to communicate with parents about student learning? In what core content area does your child need the most help? , How can the school build partnerships to support student learning? etc.)

School Parent and Family Engagement Plan: (e.g. How can the school effectively communicate with parents? What type of workshops would you like for the school to provide? , How can the school partner with parents in building ties between home, school and community and implementing parent programs? etc.)

Parental Involvement Budget 1% set-aside and additional funds (carry-over): (e.g. What instructional materials, supplies and/or learning games would you like to have available in the Parent Resource Center? Should we receive additional Title I funding during the year, how should those funds be spent to support student learning and parent engagement?)

Building Staff Capacity: (e.g. How can our school more effectively communicate with, reach out to and

work with parents as equal partners in their child's education, as well as implement and coordinate parent programs? What makes you feel valued in the school and how can parents be utilized?)

Overall Parental Involvement Program: (Are there any other suggestions or feedback you would like to share at this time? How would you rate our school's overall parental involvement program? , Are parent activities and meetings held at convenient and flexible times? , etc.)

I appreciate the opportunity to share my input. However, I do not have any feedback at this time.
