What is a School-Family Compact?

A School-Family compact for Achievement is an agreement that parents, students and teachers develop together. It outlines how parents and students will work together to achieve our school and district goals.

Jointly Developed

The compact was jointly developed with Evoline C. West parents, students, teachers and community stakeholders. Each group submitted strategies and ideas to help students achieve academic success. Meetings are held each year to review and revise the School-Family Compact. Feedback is welcome throughout the school year.
