From this screen, click on eBooks. You can search by subject, author, lexile levels, etc... I typed in "sports".

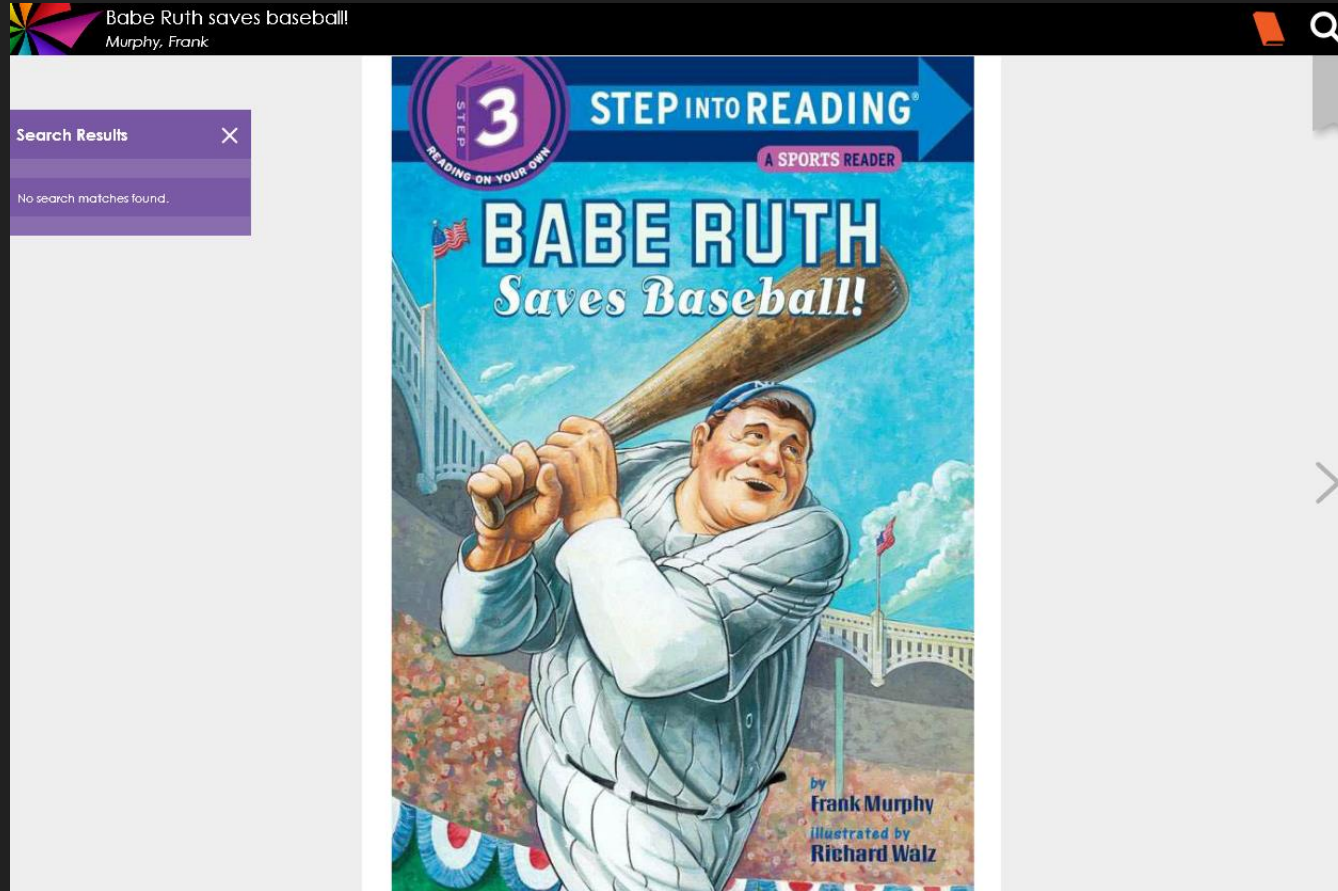

We have 16 “sports” books available for checkout. I picked Babe Ruth Saves Baseball.

The screenshot shows the MackinVIA eBooks interface. At the top, there is a navigation bar with the MackinVIA logo, a search bar containing the word "Sports", and links for "Help", "My Profile", and "Exit". Below the navigation bar, the user is identified as "Welcome, Felicia!".

The main content area is divided into a left sidebar and a main display area. The sidebar contains a menu with options: Home, All Resources, Groups, Categories, eBooks, Databases, Audiobooks, Videos, Links, and Your Filters. The "Your Filters" section shows a filter for "Sports" with a clear button and a "Clear All Filters" link. Below this are sections for "Advanced Search" with filters for Author, Subjects, Topic / Genre, Series, Number of Pages, Date of Publication, Available, Interest Grade Level, Reading Grade Level, Lexile Level, Fountas & Pinnell, and Accelerated Reader.

The main display area is titled "eBooks" and shows search results for "Sports". It includes a "Results/Page" dropdown set to 24, a page indicator "1-16 of 16", and a "Resource A-Z" dropdown. Three book results are visible:

- Albert Pujols** by Rodriguez Gonzalez, Tania. Description: "Explores the life and athletic career of Albert Pujols.
