

FELDWOOD ELEMENTARY SCHOOL is going CASHLESS!!!

Online payment for school activities – Credit and Debit cards accepted

Are you tired of making an extra trip to school to pay a fee? Are you tired of sending your kids to school with cash or money order? Would you rather make a payment any time from the comfort of your own home? If you answered yes to any of these questions, please visit our new payment site where you can now pay your student's school fees (class parties, field trip, movie, dance, etc.) by credit or debit card online using a web browser from any location, 24 hours a day. As part of the one-time setup of your student account, **you will need to enter the student ID number.** This number is indicated on your student's report card and is also used in the cafeteria line. You will need the student ID to complete the transaction.

What does "cashless" mean? FES will no longer be accepting cash and money orders for (field trips, club dues, fines, Spirit wear, class parties, movies, dances, etc.) All payments will be made through OSP Online School Payments. *** Concession is CASH ONLY" you will not be able to use OSP to pay for Concession.**

Fulton County Schools has made this decision to reduce the administrative burden on teachers and support staff in processing payment collections. This will allow teachers more time to spend with STUDENTS!

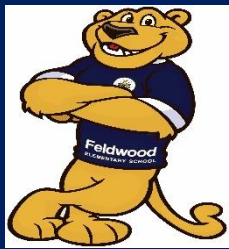

OSP is a simple, safe, secure and convenient way for parents to make online payments and means students no longer need to carry cash/money order to school. It allows you to make these payments 24/7 from the comfort of your own home. Each item will have a begin and end date. Also, full payment histories are available to you at any time. **(NO REFUND WILL BE GIVEN AFTER CHECK HAS BEEN WRITTEN TO PLACE OF BUSINESS.)**

If you have extenuating circumstances (e.g. no internet service in your home, no debit or credit card), please contact your child's teacher/sponsor to make alternative arrangements. FES will accept money orders/cash only/ on a limited and case-by-case basis.
