

2-YEAR PARENT

Findley Oaks

Gunjan Kalra

As a Findley Oaks parent and a working mother, I will bring a unique combination of perspective to the School Governance Council. I am an employee of General Motors, and our performance goals constantly guide us to seek out customer's satisfaction and excellence in what we deliver. I will leverage my experience at work, at home and in our community to bring this blended flavor to the operational competence of the council. With the SGC, I will support and supplement our brilliant, competent team of school staff. In representing the parents, I want to give them the assurance that one of their own, has the children's best interest being represented. My husband has his own business and our kids are proud members of the Fulton Schools community. Yash, a proud 5th grader, is looking forward to his fresh start at the River Trail and Leela is a first grader. I look forward to working on behalf of the parents with SGC.
