

2-YEAR PARENT

Findley Oaks

Xingzhu Li

My son Wilson is attending first grade at Findley Oaks Elementary. We love our neighborhood and our school. I have a strong background in education by obtaining my Master Degree in Special Education/Early Childhood Education; I have been teaching in Atlanta area for the past 11 years in both private school and public school settings. I am currently a special education teacher at Alpharetta Elementary. I enjoy teaching and being in the education field. It's always been my strong interest to work with a strong team to contribute my experience, specialties, and insight to help a school and community grow and become stronger. I am bilingual. I am fluent in both English and Chinese Mandarin and I have a solid background in teaching Chinese Mandarin to children as well. I am also a parent of two children (Wilson 6.5 years old and Joye almost 3 years old). I believe that the two roles that I am having (both an educator and a parent) would help me having unique perspectives on the school's governance council. I am confident that I will become a valuable asset to Findley Oaks Governance Council with my professional background, experience, and network resources. Thank you very much and it will be my pleasure to be able to serve on the school council.
