

How to use QuickTip

- **Install** the Fulton County Schools App in Android or Apple Device
- **Select** the “QuickTip” icon on the App.
- You will see a form to choose your school and enter your message or “tip.”
- Click “**submit**”
- Safety & Security will receive the message immediately and begin working with schools and departments to verify and resolve reported issues.
- Contact information is optional.
- See an issue? Report it! Let’s work together to keep our schools safe.
