## ***What is a School-Family Compact?***

A School-Family Compact is a written agreement that outlines ways the entire school-staff, parents, and students work together to help our students succeed academically. This compact provides strategies to connect learning at school and at home.

## ***Jointly Developed***

The School-Family Compact was jointly developed and revised with input from parents/guardians, students, teachers, and staff of C. H. Gullatt Elementary School. Our school invited all parents/guardians and community members to our Annual Title I Parent Input Meeting last Spring. This meeting allowed parents/guardians to be collectively involved in the revision of our School-Family Compact. Input was gathered using different methods such as email surveys and parent feedback forms. Teachers and students were also given surveys and feedback forms to provide input on the Compact. We welcome your feedback throughout the school year.
