

*We appreciate your feedback with carpool traffic and understand your concern. Heards Ferry has worked with the City of Sandy Springs and the Sandy Springs Police Department to address traffic concerns. In cooperation with the police department and the city, we have made every adjustment possible to our carpool procedure. Unfortunately Heards Ferry can only control the traffic patterns on our campus, we have no jurisdiction over Heards Ferry Road. We continue to work with the city and do everything within our legal ability to make carpool a smooth process. Unfortunately, we do have students who must arrive at school in the mornings and be picked up in the afternoon. Please expect traffic delays on a daily basis between the hours of 7:10 – 7:40 in the mornings, and 2:30 – 2:45 in the afternoons. Traffic delays will decrease as the year progresses, but at the beginning of school it is understandably more than usual. We apologize for the inconvenience. If you have any suggestions please feel free to call the City of Sandy Springs or the Sandy Springs Police Department as we continue to work with them for solution to this unavoidable issue. Thank you.*
