

Hembree Springs Elementary Governance Council Parent Statement

Debra Taylor

Parent Candidate—Term 2 Years

I was a Regional Controller in the hotel industry for 16 years before I retired to become a Mom.

Because of this I have an infinity for numbers and accounting, which I believe would assist in reviewing budgets.

I am currently a stay-at-home parent. Because both of my children are in school, I have the time, energy and willingness to dedicate to the Council.

I am proud of Hembree Springs, and will put forth the commitment to make it better.
