Homeroom Teacher: _____

Digital Learning Day Choice Board-Kindergarten

Reading	Mathematics	Science/Health	Special Areas
Choose three from below	Choose two from below	Choose one from below	Choose one from below
iRead (20 minutes) See instructions	Complete the touch math sheet- put the dots on the numbers. Challenge: do the touch math addition on the second side of the sheet.	Science: Do the Living and Non-Living activity sheet (find pictures or draw your own)	Bounce a ball and catch it at least 20 times in a row without missing. Challenge: clap your hands after the ball bounces.
Complete the sequencing activity-cut and paste (has a little tiger on top)	Count to 100 by 1's Count to 100 by 10's Extra Credit: for a Hawk's Ticket, do the counting on Seesaw (QR code Attached)	Take a walk outside with your parent or babysitter.	Read Dr. Seuss's <u>The Lorax</u> Or find a read aloud video online. Draw your own Truffula forest using a variety of lines, shapes, and colors.
Practice reading sight words (red words) Write three sentences using one sight word in each one.	Measure (count) .how many footsteps: From your bedroom to your parent's bedroom door. From your bedroom door to the kitchen sink. From your bathtub to your bed.	Play outside	Experiment with pitch. Fill drinking glasses with different amounts of water and strike the side of the glasses with a spoon. How does the amount of water change the pitch?
Read for 15 minutes	Addition problems-draw a picture to match the math stories. (worksheet)	Complete 20 jumping jacks, 20 sit-ups, 20 touch toes(with straight knees) Jog in place for one minute.	Do an online research of 5 interesting facts about one US president. Record these facts and share in the computer lab, OR use recyclable items, tape, glue, paper, scissors, etc. to build a prototype of something you like. It can be a car, a spaceship, a house, etc. If you can, take a picture of it and share the picture of your prototype with your teachers.

All work is to be turned in on **March 14, 2018**. Grades K-2 must complete a total of **90** minutes of activities. I hereby certify that my child, _____, did complete their digital learning day activities selected from above.
