Membership Options:

A crucial mission of the Northwood Elementary PTA is to provide funds essential for Northwood's academic enrichment and operational resources that do not receive adequate funding from Fulton County. PTA Membership and The Enrichment Fund is ***the*** way to support our school! ***All Enrichment Fund donations are 100% tax deductible!*** Your financial support provides Teacher Grants, Science Day, Accelerated Reader, Media, Technology, Clubs, and many, many more things to enhance the learning experience at Northwood Elementary! Our PTA spends an average of $50 per student per year therefore, meeting 100% of our goal means EACH child's family is a member. Please consider donating on behalf of another family.
