Hardship Transfer Deadline is February 28

Applications are now available for parents who wish to apply for a 2018-2019 hardship transfer or to renew a current hardship to another Fulton elementary, middle or high school. Parents will use an online form, available through the school system's [web site](#), to enter and submit their information. Hard copy applications are not required this year, with the exception of medical transfers which require pertinent medical provider's signatures and documentation. The deadline for submitting a transfer application is February 28, 2018, by 4:30 pm., with no exceptions or extensions granted. All requests must be received or postmarked by this date and time. In addition, school system employees who have children receiving an employee hardship transfer must renew their request. The February 28 deadline applies to students and parents seeking a hardship transfer for medical reasons, curriculum differences, and child care situations or for employees' children. Schools participating in open enrollment, a separate transfer process that allows students to move to a school with available space, will be announced in early May. Parents with questions or who need more information about hardship transfers can contact the Fulton County Schools' Student Assignment Office at 470-254-5550 or visit the office's [web site](#).

Congratulations to Vienne Borg, a former Northwood Student

Congratulations to Vienne Borg, a former Northwood student, for the release of her first demo album on iTunes. At fifteen, as a sophomore in high school this is an amazing accomplishment. Her demo is five pop/alternative songs but she has many more. She composed the music, wrote the lyrics, performed and helped with the creative production process with Travis Wyrick at Lakeside Studios in Knoxville. Vienne's music is available on iTunes, Spotify, Amazon Music.
