

# Northwood Elementary School PTA

## Volunteer Interest Form 2012-2013

Northwood Elementary cannot work without our volunteers, and we thank you for your interest! We have opportunities for every talent or time constraint. Please place a checkmark by the committees you are interested in participating in, and the committee chair will contact you with more information. You may decide to participate or not at that time. If you are interested in being a room parent, art helper, or a reader for your child's classroom, please contact your child's teacher. Thank you for your help!
