

Roswell North Elementary School Digital Learning Day

March 9th, 2018

2nd Grade

MUST DO:

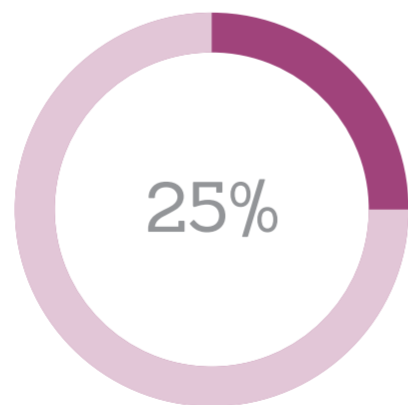

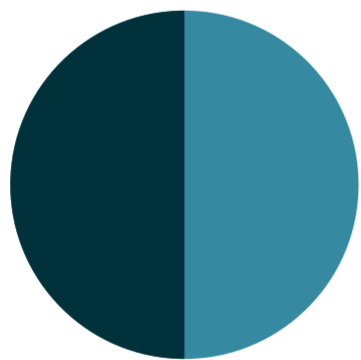

Work in iRead for 20 minutes following Launchpad Login.

Students must login through Launchpad using their 10 digit Student ID (lunch #) and their 8 digit birthday: MMDDYYYY
<https://launchpad.classlink.com/fcs>

Work in Redbird for 20 minutes following Launchpad Login.

Students must login through Launchpad using their 10 digit Student ID (lunch #) and their 8 digit birthday: MMDDYYYY
<https://launchpad.classlink.com/fcs>

Find a way to represent halves, thirds, and fourths in your home. This can be using Play doh, items in the kitchen, etc. Write down your examples!

CHOOSE TWO:

Find a topic of your choice to research. Practice your informational writing and write a short book about the topic you found to teach others!

1. Login to Launchpad.
2. Click MackinVia.
3. Click Databases.
4. Scroll to PebbleGo. Pick Science, Biographies, Social Studies, Dinosaurs or Animals.
5. Find a topic and write about it!

Go on a nature walk and write adjectives about the things you see.

Watch the BrainPop Jr. life cycle of a frog and the life cycle of a butterfly. Compare the two life cycles you learn about!

1. Login to Launchpad.
2. Click Mackinvia, databases, BrainPop.
3. Click the robot's (Moby's) head in the top left corner.
4. Select BrainPop Jr.
5. Click Science, Animals, and select Butterflies to watch. Then select Frogs!
6. Compare the two life cycles!

Read a book to a stuffed animal or family member.

- Go to <https://newsela.com/>. Click Browse Content. On the left hand side, select grade 2. Find an article that interests you and read about it! Then complete the 5 Ws: Who, What, When, Where, and Why about the article you read!
