

Strategic Plan Monitoring Tool (Year 1)

School Name: Shakerag Elementary School

Student Achievement		Outcome	Baseline (Yr. 1)	Evidence of Progress	Date	Results
Initiatives	<p>Balanced Literacy Framework: Implement literacy instruction that includes a progression of teacher modeling, guided practice, and student independent learning</p>	<p>Literacy: 47% of students in grades 3-5 will score level 4 in ELA on the GA Milestones</p>	<p>2017- 42.3% 2018- 41%</p>	<p>- Teachers have completed all 5 FCS modules on Standards Mastery Framework (SMF) - Teachers closely monitor student literacy levels at least 3 times a year using the BAS screener - Teachers have been trained in running records and have started to use these checks between official BAS screenings</p>	As of January 2019	<p>- 100% of our teachers have participated in the SMF PD deliveries and/or worked with their grade level teams on content. - In January 2019 we will begin our next steps in aligning our instructional practices with the SMF Framework. Teachers will begin realigning their current curriculum maps with the prioritized standards and looking at the assessments they are using to determine student mastery of the standards. - In the spring of 2018, teachers developed curriculum maps that provided opportunities for integration and alignment to PBL units. Each grade level is working toward completing 2 PBL units this school year. - Members of the administrative team have been exposed to the Numeracy Frameworks that will be implemented next year across all FCS elementary schools.</p>
	<p>Balanced Math Framework: Implement math instruction that helps students build the computational and conceptual skills needed to solve complex problems</p>	<p>Student Growth: 78% of students in ELA and 69% of students in math will make typical and/or high growth on the GA Milestones</p>	<p>ELA: 2017- 73.5% 2018- 71.9% Math: 2017- 64.2% 2018- 72.1%</p>	<p>-Teachers are working to incorporate cross curricular learning experiences to maximize instructional time and present students with challenging learning experiences - We have increased our implementation of PBL units</p>	As of January 2019	

People & Culture		Outcome	Baseline (Yr. 1)	Evidence of Progress	Date	Results
	<p>Staff Professional Development: Implement Personalized Professional Development for Staff</p>	<p>Staff Engagement: Increase % of staff that agree and/or strongly agree that they have received relevant professional development</p>	<p>2018- 81%</p>	<p>- In May of 2018, we had the staff complete a survey focused on our professional development sessions. We have used that feedback to help focus our professional development sessions for the 2018-2019 school year to meet the needs of our teachers by group and individually.</p>	Next survey scheduled for April/May 2019	<p>- In May of 2018, 81% of the staff agreed and/or strongly agreed that they have received relevant professional development. Those that did not agree were primarily paraprofessionals and/or support staff. - Teacher leaders are leading professional development sessions and edCamps.</p>

Initiatives	<p>Student Social Skills: Focus on the whole child through character development and 21st century skills</p>	<p>School Culture: All students will be given the opportunity and skill set to work in a collaborative setting</p>	TBD	<p>- We are currently a Leader in Me School. Our Personalized Learning team, PBIS committee, SGC and Leadership team are all looking at various Social Emotional Learning (SEL) programs and working to determine if Leader in Me is still the program we would like to continue to implement.</p> <p>- The PBIS committee is working on developing staff, student, and parent surveys to seek more feedback on our SEL program(s).</p> <p>- The Personalized Learning team is looking at state standards (particularly ELA Listening and Speaking standards) and working on the development of a student collaboration rubric.</p>	<p>As of January 2019</p>	<p>- Pending - decision on SEL program</p> <p>- Pending - survey feedback</p> <p>- Pending - development of a collaboration rubric that is vertically aligned and age appropriate</p>

Community Collaboration		Outcome	Baseline (Yr. 1)	Evidence of Progress	Date	Results
Initiatives	<p>Develop Community Partners in Learning: Develop a bank of community members that will support our students with real-world connections associated with our Project/Problem Based Learning</p>	<p>Partnerships: Increase the number of community members supporting student learning</p>	<p>Establish Baseline with our first Foundation sponsored Career Day sessions</p>	<p>- Our foundation is going to host career day sessions for our 4th and 5th graders. We hope to use this group to begin the foundation of our database.</p> <p>- The District is working on a Business Partner Database. This database resembles the type of platform we were looking to create. This might help us with this goal.</p>	<p>As of January 2019</p>	<p>- The foundation has developed a schedule and started seeking volunteers to speak during the career sessions.</p> <p>- At our first internal cross collaboration meeting, the SGC, Foundation, and PTO discussed opportunities where each group could support this initiative.</p>
	<p>Cross Collaboration: Develop opportunities for cross partnerships to share knowledge and resources in support of school-wide initiatives</p>	<p>Community Engagement: Increase the collaboration between our School Governance Council, PTA/PTO, Foundation, and Community Partners</p>	<p>Minimum of one cross collaboration meeting</p>	<p>1st Meeting</p>	<p>As of 11/15/2018</p>	<p>- This meeting was very productive. The committee decided to meet two more times this school year (Feb. or March and again in April or May)</p>
