Courtney Gatlin Cleary

I would like to serve on the School Governance Council as a means to build relationships and assist with the continued growth within the school and community. Since departing from the medical field, I have been able to gain new experiences through serving within the community. I am active in Shakerag Elementary serving as a co-chair for the Treats for Teachers program, Room Parent for the Kindergarten class, assisting with the Yearbook Committee and Media Center volunteer. I currently serve on the following football boards: Johns Creek Youth Football Association, Northview Jr Titans, and Northview High School Gridiron Club. In the past, I have also served with Rainbow Village in Duluth and Stand Up For Kids in Atlanta. I appreciate all of the knowledge that has been gained with learning the operations of each of these opportunities, and I look forward to being part of the continued growth.
