Julie Duhe

For the past 19 years, I have taught in two Fulton County Schools. I have had the opportunity to teach in the general education classroom, and team teach with the EIP and IRR teachers. I joined the Shakerag family in 2017 and look forward to serving our students and families at Shakerag. One way that I can serve, is through the School Governance Council. At my previous school I had the opportunity to serve for two terms as Parliamentarian. Through this experience I gained insight into the vital work that is accomplished through an active Governance Council. I believe that the School Governance Council is an important part of the foundation needed to aide teachers, parents, administrators, and community members in creating learning environments where our students can achieve their highest academic goals.

Rebecca Ensley

I have been teaching for 7 years. I have taught all over Fulton County. I would love to be on the school governance council to grow in leadership and work for the good of Shakerags staff, students and families.

Rashi Manaktala

I have taught for 13 years. This is my third year in Shakerag. I have a bachelors in early child hood education. I was born and brought up in india but have been in States for the last 23 years. I became a teacher to make a difference and give back to the community where my kids grew and learned. This is another small way to contribute to the community.
