**State Bridge Crossing Elementary
is participating in Walk to School Day on
Tuesday, October 16, 2018**

Join children and adults around the world to celebrate
the benefits of walking and bicycling.

About our event:

Join us in celebrating our first SBCE Walk to School Day by walking to school or biking to school on the morning of Tuesday, October 16. Please note that we will have police officers present to assist with traffic and monitor students' safety. We look forward to making this day memorable and fun for the children, and hope you will participate with our Bobcat family!
