Sweet Apple ES School Governance Council
Sweet Apple Elementary School
12025 Etris Road
Roswell, GA 30075

Dear Sweet Apple ES School Governance Council:

On behalf of the Fulton Education Foundation, we are pleased to recommend a Seed Fund grant award of \$33,600 to Sweet Apple Elementary School to fund the following concepts:

- **R3 (Real-World Rigor & Relevance) - \$33,600**

The funds will be included in your FY2016 Fulton County Schools budget and are available to be spent beginning July 1, 2015.

Please note that this is a one-year grant award that must be expended by June 30, 2016 and the expenditure of Seed Funds must follow all Fulton County Schools' policies and guidelines. For more information please see the attached Appendix A, which outlines the implementation and reporting requirements for Seed Fund awards.

The Seed Fund review team was very impressed with your application and presentation and looks forward to seeing the positive impacts of your concept on the students and community of Sweet Apple Elementary School.

Congratulations!

Rodney Turner

Chairman

Fulton Education Foundation
