“Where Children Experience Success”

Wildcat News October 10, 2019

From Principal Ms. Cushing
Food Policy

In order to maintain a safe environment for our students and to insure we protect our students with food allergies, only food that is store-bought, sealed, and labeled with the ingredients will be distributed to our students. Please be mindful of this policy change when sending in food for class celebrations and/or parties. Furthermore, students are to refrain from sharing food which often occurs during snack time and lunch. Please remind your student(s) to not eat anything given to them by another student. Thank you so much for your cooperation.
