Artic Adventure Scholastic Book Fair November 11-14, 2019

The book fair sparks our children's imaginations while expanding the variety of books available to them in classrooms, the Media Center, and their own homes.

Volunteers are the magical ingredient for a successful book fair. Volunteer jobs include everything from setting up the fair, assisting students and families with finding just the right books, or running a cash register, to taking down the book fair at the end of the week. **All volunteers receive a 10 percent discount on any Scholastic Book Fair purchases.** If you would like to coordinate volunteering with your child's visits to the book fair, please see the book fair flyer distributed in today's VIPs envelope. *Please note that all volunteers must complete the Fulton County Schools' mandatory volunteer registration and training.*
