

Dear Students, Teachers, and Parents/Guardians:

I am aware that a rumor exists regarding a possible threat against the school on Wednesday of this week. Please note that as all threats are treated as credible threats, Fulton County School Police investigated the report and determined that the threat was unfounded and not credible. Because this rumor has persisted, I wanted to follow up and make it clear that the school will operate as normal. Should Cambridge ever be subject to an actual threat, I will communicate with you as quickly as possible. We will continue to be vigilant about safety and security on Wednesday, as we are every day.

I am thankful that students brought this to our attention. This is an opportunity to remind students that if they “see something, say something” to a trusted adult and to remember to wear their ID whenever on campus.

I hope students enjoy their Tuesday, and I look forward to welcoming them back to school on Wednesday.

Have a good evening –
