

Cambridge PAWS²:

People Always Willing to Share and Support!

Seniors 2019

PAWS² offers many programs to meet your academic support needs and your learning interests. Please register online at cambridgehs.org for a PAWS offering **by Monday, August 13, 2018**.

Seniors with good academic and behavioral standing with parental permission, may opt to leave campus and early release at the beginning of the PAWS² period. To be released early from school, please register for Early Release, complete this permission form with a parent signature, and return it to the main office by **Monday, August 13, 2018**.

PAWS² assignments appear on student's schedule and must be followed until a change request is granted. Seniors who do not complete this form by the August 13th deadline **will be scheduled for a PAWS²**. Senior's privilege to early release may be suspended if academic support is necessary. Violations of the Student Code of Conduct may result in the revocation of PAWS² Early Release.

PAWS² Early Release Option

I grant permission for my son/daughter to be released from school at the beginning of PAWS² on specific PAWS² days. With this consent, I understand that he or she must leave the building by 2:55pm on PAWS days.
