### PARENT RELEASE

I will not hold Fulton County Board of Education, Chattahoochee High School, Hooch Freshman Orientation, Chattahoochee Staff or orientation staff responsible for an injury to my child. This is to certify that I have insurance to cover any injury that might occur during participation of the orientation. The law requires that parental permission be obtained for emergency operative procedures on minors. The following consent form should be signed by the parent so that no unnecessary delays will occur with operative procedures. However, no operation will be performed, except emergency, without parents being contacted and fully informed. I give permission to administer over-the-counter medication as well as such diagnostic, therapeutic, and operative procedures as may be deemed necessary.
