

AP Student Packs: STUDENT PACK AND UNIQUE AP NUMBER for 2017

Please follow these directions in completing the identification information for your AP Student Pack. This will help ensure that your scores are provided correctly to you, your school, and the college of your choice.

Each year that you take AP Exams, you are assigned a new AP number. **Your 2017 AP number is located on a sheet of labels in the center of your Student Pack.** You must use these same labels on all AP Exams you take in 2017. If you run out of number labels, you must write your AP number in the areas indicated. You may not receive a new AP Student Pack or share labels with anyone.

Turn to the sheet of AP number labels in the center of your Student Pack. . . .

TAKE A PICTURE for your reference. Now, in the upper right-hand corner of the sheet of number labels, write your name in the space provided. . . .

Turn to the back cover of your Student Pack and look at the **AP Number Card** at the bottom of the inside flap. Take an **AP number label** from the center of the Student Pack and **place it on the card** in the area indicated, write your name on the card, and remove the card from the booklet. **Put the card in a safe spot, and keep it for future reference. It is also recommended to save this number on your phone.** Do NOT share your AP number with anyone else. You will need the information on this card to view your scores and to order AP score reporting services online in July.

On the very back cover, write your AP Number in the top left-hand corner of the College Information Card, where indicated. You would **only** use this to make changes or corrections regarding College Information before your scores are released.

Please note the following Very important information about your AP Exam scores.

AP scores are reported to you online only at apscore.org. Turn to the inside front cover of your Student Pack and review the steps you'll need to take to access your scores online. . . .

Now turn to the front cover of your Student Pack. Print your grade level, last name, first name, and middle initial in the spaces indicated. . . .

Now print the six-digit school code for the school you attend. The school code for Chattahoochee HS is **110146** . If you do not attend Chattahoochee HS, enter the code for your school. If you do not know your school's code, leave the space blank. If you are home-schooled, the code you should use is 991199.

Print your AP number in the spaces provided. Now fill in the box next to each AP Exam you plan to take this year. . . . You should see a sticker or handwritten confirmation of the AP that you are scheduled for. Please contact Mr. Berry at berryg@fultonschools.org if there are any discrepancies.

After the exam(s), if you want to send comments or suggestions to the AP Program, or if you believe there is a problem with an exam question, please contact the AP Program directly. Contact information and instructions can be found on page 3 of your Student Pack.
