International Night 2018**

The Chattahoochee High School PTSA is planning our 5th annual International Night on **Tuesday, March 27, 2018.**

This event will recognize our students' cultural heritage by displaying flags from their native country during the flag parade, sharing in traditional foods, and enjoying cultural student entertainment.

We would like for each country to be represented as follows:

- Decorated tri-fold board representing your country's culture
- Prepare an authentic dish for your country
- Entertainment (song, dance, sport, etc.) for cultural entertainment (optional)
- Students and parents are also encouraged to dress in traditional clothing

We need your help to make this night a great success. We are seeking volunteers to host various countries. Multiple families can represent the same country.

If you are interested in being the host for a country during International Night, please contact Melissa Beasley at chsptsainternationalnight@gmail.com. **Information packets are also available in the front office and the media center.**

Thank you in advance for your support! We look forward to seeing you for this festive celebration!
