Students, it is National Computer Science Education Week! Did you know a computer science major can earn 40% more than the college average? Computing jobs are the #1 source of new wages in the United States. If you are interested in learning more about Hooch's computer science classes, please see Mrs. Whitlock in G127.

Thursday (12/7) is the last day you can send a warm and cheering message with a Beta jingle bell to a teacher, staff member or a friend. Find us outside the media center during 4th and 5th period.

SLJC is fundraising for Run For Love. All you have to do is come to the Chipotle on Medlock Bridge Road TONIGHT (12/6) from 5-9pm! Make sure to mention Run For Love!!

ATTENTION SENIORS - The Counseling Department is hosting another Hooch Apply to College Day! It will be held THIS Friday, December 8th from 8:30am to 2pm in the Media Center. Students will receive assistance from counselors with their applications, Parchment, and requesting letters of recommendation. Seniors can visit the media center at a time that works best with their schedule and must obtain a pass to attend. Passes are available in the Counseling Office and require a teacher signature to leave class. Students will be responsible for any missed work. If you have any questions, please contact the counseling office. Also, since counselors will not be accessible during winter break, please submit your senior profile and request card by December 8th to avoid a delay in processing your request.

Need some holiday cheer? This week the Musical Theatre 1 & Technical Theater classes are presenting their annual holiday show on Thursday, Friday & Saturday at 7PM. Charlie and the Heart of the Muse is an original work with original music by junior Alexandra Davis. If you like Harry Potter and Christmas, this story is for you! Tickets are \$10 at the door. (12/8)

Are you interested in playing an instrument for the spring musical, Follies? The pit orchestra information meeting is Tuesday, December 12 at 3:45 in the chorus room. Follies is for full orchestra, so string and winds are needed. If you have questions, please see Mrs. Fabianski in A106.

This December, get ready to eat Georgia Grown, farm fresh Kale in the cafe! Kale is a dark leafy green vegetable packed with vitamins A, C and K! You've got to try this chef-inspired Kale & Apple Salad, served in the cafe as a side salad! Since the kale is grown close to home, it is at peak freshness and more environmentally friendly! Be sure to try the Kale & Apple Salad at lunch on Wednesday, December 13!

Student Leadership Johns Creek applications are due in H124 by January 23rd. All information can be found on Mrs. Wile's website! www.wile-tag-math.weebly.com

Please continue to stop by the Learning Studio every morning and during lunch time to troubleshoot and replace your broken cases and devices with those discolorations on the screen.
