Dear Parents and Families,

In compliance with the requirements of the Every Student Succeeds Act (ESSA), McClarin High School would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the student's teacher
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

We currently have a long term substitute in our English/Language Arts Department, who currently does not meet the definition of a highly qualified teacher under ESSA. He is capable of implementing lesson plans and delivering instruction effectively. We are currently in the process of hiring a certified teacher for this position. Our long term substitute works with his designated department to plan instruction and understands the school's policies and procedures, and gets along well with students, teachers, and staff.

If you have additional questions or concerns about your child's teacher, you may contact me at 470.254.1967.

If you wish to request information concerning your child's teacher's and/ or paraprofessional's qualifications, please contact the Dr. Tashea Daniel-Harris, Interim Principal at 470.254.8080.

Sincerely,

Dr. Tashea Daniel-Harris
Interim Principal
