

Governance Board Parent Nomination Form

I have read the Governance Board membership job description and, if elected, agree to meet those expectations and requirements. Please enter my name as a nominee for the following position.

SIGNATURE Mindy Bisdimec

Please answer the following questions:

Why do you want to serve on the Governance Board?

My son is a 9th grader at North Springs - and I have 2 daughters who will attend in future years. I am very invested in ensuring that North Springs has a strong governance structure and is guided by a strong vision for all students.

I believe that my professional experience makes me well suited for the Governance board. I have led organizations through strategic planning processes, and I am very experienced in both non profit and board governance. Through my work, I am well connected with leadership in the corporate, education and civic communities that I can leverage to support NSCHS. It would be a honor to serve on the Governance Board.
