

# How to Get NS Twitter Tweets Sent as Text Messages to Your Mobile Phone.

## #1

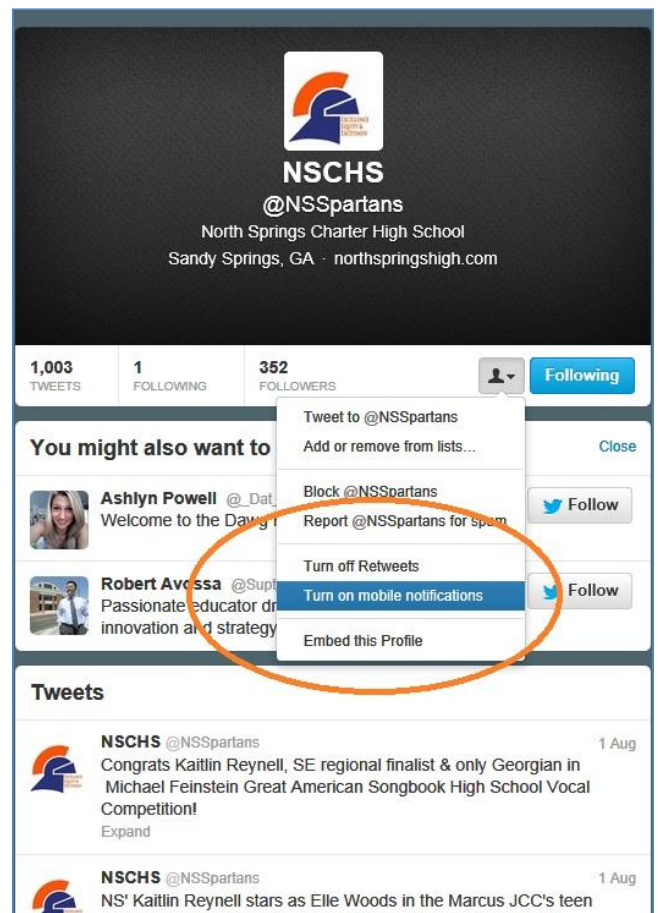

You need your own Twitter account. Go to [www.Twitter.com](http://www.Twitter.com) to set up.

Login to Twitter, find NSCHS (@NSSpartans) and click the "Follow" button (circled in orange below)

## #2

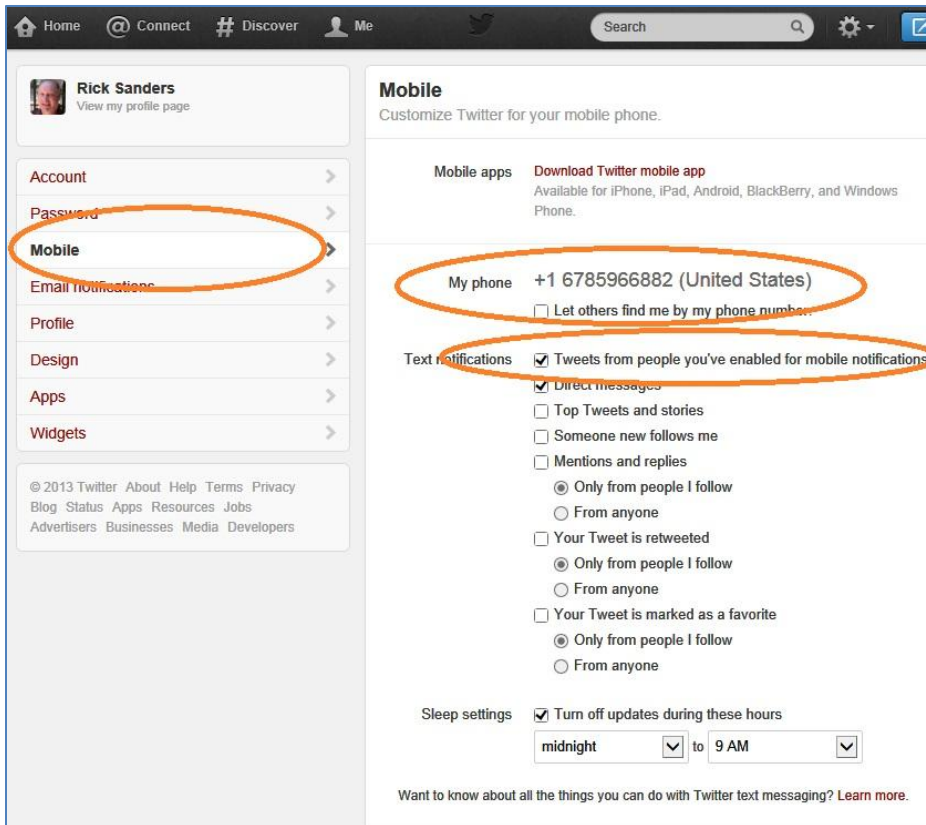

Click the "Me" button (black silhouette), then select "Turn on mobile notifications" from the drop down menu.

#3

Go to your own Twitter home page, Click the “Gear” button and from the drop down menu select “Settings”

#4

Select “Mobile” from the left menu, add your mobile phone number to the “My phone” field, and check the box that reads “Tweets from people you’ve enabled for mobile notifications” from the “Text Notifications” field.

*That’s all it takes. And you will be texted all the latest Twitter news from North Springs.*
