Important Information – Please Read Carefully

I understand and agree that parking on the North Springs Charter High School campus is a privilege and not a right. The student driving/parking permit can be revoked based upon academic performance, attendance, tardies, and certain disciplinary infractions and no refund will be administered. Students with more than five (5) unexcused absences per semester or twenty (20) tardies to classes, including first period will not be processed for permits until all applicants with fewer unexcused absences or tardies have been issued permits. If/when a permit is issued it will be with a contract requiring no further unexcused absences or tardies. **The cost of the parking permit is 100.00, check, money order or cash only, (payment should be attached to this application).** If the student loses his or her parking privilege for any of the above reasons, a reinstatement fee of \$20.00 shall apply if privileges are earned again.

Do not write below this line. Please go to other side and read/complete information.
