SCHOOL NAME: North Springs High School

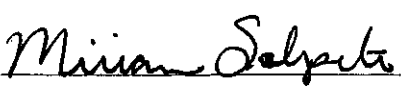

CONCEPT NAME: Graduation Requirements

STRATEGIC INITIATIVE(S)  
(from new strategic plan): Improved Graduation Rate & Academic & Extra-curricular Programs

<b>Data Analysis &amp; Program Impact</b>	
<p>1) To what extent was there a measurable increase in student outcomes, teacher instructional practices, and/or school climate and culture as a result of the RFF-supported initiative? Include quantitative data that specifically supports the continuing use of the RFF.</p>	<p>The increased graduation requirements have resulted in <b>302</b> current seniors on-track for graduating with 26 credits or more out a population of 351 seniors. Last year North Springs had <b>21</b> students earning their dual magnet seals at graduation as result of this flexibility with the added benefit to other students having increased flexibility in course selection. The added rigor of the additional requirements has also contributed to a <b>61</b> point increase in average SAT performance by students at North Springs.</p>
<b>Rationale for Continuing RFF</b>	
<p>2) Were there unique challenges to implementing the RFF that you did not originally consider? How did you overcome this challenge? Describe any changes or adjustments that must be made to the original proposal for implementation during the 2018-2022 strategic plan cycle.</p>	<p>This process posed no challenge in implementation.</p>
<b>Additional Considerations</b>	
<p>3) What resources (human, operational, etc.) are needed to continue implementation of the RFF? How do you plan to provide these resources?</p>	<p>We were able to implement this process without additional outside resources.</p>

(from new strategic plan): Improved Graduation Rate & Academic & Extra-curricular Programs

<b>Data Analysis &amp; Program Impact</b>	
<p>1) To what extent was there a measurable increase in student outcomes, teacher instructional practices, and/or school climate and culture as a result of the RFF-supported initiative? Include quantitative data that specifically supports the continuing use of the RFF.</p>	<p>The amended schedule allowed for 21 students to achieve a dual magnet seal and all students to explore academically enriching electives, AVID, and credit recovery opportunities.
