

SUMMER READING BOOK REVIEW

(For all North Springs APUSH students)

Write a book review about the book you chose to read over the summer. You may read **1776** by David McCullough or **The Radical and the Republican** by James Oakes. Your report should be about 2 ½ - 3 pages (typed, double spaced, 12 point font, 1 inch margins). Your written report should include the following (in no particular order):

1. An introductory paragraph with a thesis statement. (Consider the author's position and whether you agree or disagree with the author.)
2. A description of the historical period and issues with which the book deals, either directly or indirectly.
3. A summary and an assessment of the author's arguments and/or themes.
4. Throughout your essay, be sure to include specific information from the book to support your thesis. Include page numbers in parenthesis.
5. **Due date is Tuesday September 5th.**
6. The paper must be turned in to Turnitin.com. (The class code and password will be shared with you when we return in August.)
