

Strategic Plan Monitoring Tool (Year 1)

School Name: **Northview High School**

Student Achievement

Initiatives

Balanced Literacy Framework. Implement personalized literacy instruction that includes literacy across the curriculum to decrease the number of students reading below grade level.

Balanced Math Framework. Restructure math support classes to ensure mastery of curriculum to decrease the number math course failures.

People & Culture

Initiatives

Positive Reinforcement. Create opportunities for students and staff members to be rewarded and supported for displaying behaviors that support the four pillars of

Community Collaboration

Initiatives

Parent University. Implement a forum that provides parent awareness of the available resources and tools to support their students; provide support that will provide both parent and student the navigation tools needed to survive the stressful environment of high school.
Academic Innovation Committee. Establish a partnership with a group of school leaders/community stakeholders charged with investigating ways to enhance the student experience at Northview High School.
