

Dear Class of 2020 Parents:

This is an exciting year for you and your family. Your students have worked very hard and we want to help them celebrate in a big way! PTSA has traditionally helped with certain aspects of the Senior Week/graduation process, while Riverwood Administration handles others, including the Graduation ceremony itself. Please read below to find out how you and your senior can celebrate and how you can get involved. *Congratulations to the Class of 2020!*

PTSA SENIOR WEEK PROGRAMS

Blue Envelope Tribute

Blue Envelopes are a special Riverwood tradition! Letters of congratulations and encouragement are collected from graduates' friends and loved ones and given to them in a big blue envelope during Senior Week. *More information will be sent to you in March.*

Graduation Yard Signs

Celebrate your Senior's graduation by posting a sign in your yard! Proceeds from yard signs help pay for other aspects of Senior Week.

Customized signs will be available for purchase in the Spring.

Prelude to Graduation

Sunday, May 17th at 5:00 pm in Riverwood Auditorium. This is a reflective time to mark your graduate's journey from high school to young adulthood. A great way to kick off graduation week! *Please look for invitations in the Spring.*

*There will be a **Photo Montage** video at Prelude. Please send photos of your Raiders and their friends. No baby pictures. No family photos. Small groups of students are best. There is no guarantee that any photo will appear in the video. Please send "full size" photos to: riverwoodprelude2020@gmail.com

Senior “Almost Alumni” Carnival

After Graduation practice on Wednesday, May 20th. One of our oldest traditions! Free and open to all Seniors. Food, music, games, inflatables, waters slides, and lots of fun! Bring clothing for outdoor activities.
