2018 - 2019

This application is for registering a vehicle by student, faculty, and/or staff for the purpose of securing a parking permit. The Fulton County School District and the Roswell High School Principal allows student parking permits to be issued upon completion of application and payment of a parking fee. Rules and regulations pertaining to parking and operation of vehicles are contained herein. Completion of this application shall be construed as acceptance of the parking and operation rules and regulations. Students who elect to drive a vehicle shall complete this application form with all applicable parent or guardian signatures. All copies shall be returned to the school.

The following rules and regulations will be observed at all times:

- I. Each person who chooses to park at a Fulton County High School or a designated site during normal school day hours must obtain a parking permit. A designated parking space will be assigned or an area will be designated for approved parking. Any and all parking permits must be completely visible from outside the vehicle.
- II. Proof of insurance and a current Georgia Driver's License, as required by state law, is required prior to the assignment of a parking space.
- III. No permit may be altered, transferred or sold to another student for any reason.
- IV. Priority in assignment of parking spaces will be established by the local school administration.
- V. The student code of conduct will apply to all campus events and all parking locations approved and provided by the local school, school support organizations, or the School District.
- VI. The driver/owner of any vehicle will be responsible for the use of his/her vehicle and for any results of such use.
- VII. All students will be subject to the Fulton County Schools discipline consequences that include but are not limited to reports to law enforcement, in-school suspension, out-of-school suspension and expulsion.
- VIII. Students who park at off-campus locations which operate as fund raisers for the school or school boosters are considered school activities. All behavior code provisions will apply in these parking lots.
- IX. Student vehicles are subject to search. The School Police Department and the school administration reserve the right to patrol all campus parking lots with the purpose of providing security and enforcing state law and District and school procedure. K9 units also routinely sweep parking lots. If you are not comfortable with your vehicle being searched, do not register for a parking permit or park in any lot designated for use.
- X. Parking and traffic violations on campus subject to the discipline consequences include but are not limited to: parking an unregistered vehicle on campus, parking in the fire lane or handicap spaces, parking in entrance or exits of parking lots, failing to stop for "Stop" signs, giving false information or falsely registering a vehicle, parking in another students parking space, exceeding the 15 mile per hour speed limit, all applicable state law, traffic law and local ordinances.

To emphasize the importance of being on time to school, or remaining at school, and attendance at school, the Principal or his/her designee may suspend or revoke a student's parking privileges based on excessive tardiness or the unauthorized departure from school.
- XII. A students parking permit may be suspended or revoked at any time due to a violation of the code of conduct or law.
- XIII. There will be no refund for the cost of a parking permit that has been suspended or revoked by the Principal. At the conclusion of the suspension, the student may reapply (with permission from the school Principal) and purchase a permit if parking spaces are available.
