Semester System

All schools in Fulton County operate on the semester system. Students take six classes each semester.

Grades and Evaluation

Students will receive numeric grades on report cards for each course completed.

Grading Scale

Grade	
A	90 and above
B	80-89
C	70-79
F	69 and below*

*By state rule, any grade below 70 is failing.

Advanced Placement, Honors, and Joint Enrollment carry a weighted grade of an additional 7 quality points which are added to the final semester averages.

Senior class valedictorian and salutatorian will be chosen at the end of first semester. Eligible students must have been in attendance at RHS five consecutive semesters. Students will be identified to be an honor graduate at the end of the first semester of the senior year if their numeric average is an 88 or greater.

Progress Reports

Interim reports will be issued every six weeks of each semester and will reflect the student's performance at those times. Parents should feel free to contact the school at any time during the semester. Administrators, counselors, and teachers stand ready to discuss student placement or performance.

Recovery Policy

Opportunities designed to allow students to recover from a low or failing major assessment grade will be allowed when the overall grade falls below 70. Students attempting recovery will earn no more than 75% of the original max score. Prior to attempting recovery, student should have demonstrated legitimate effort in remediation (reviewing previous assessment with teacher, attending extra help sessions, etc.) Students should initiate the recovery process by indicating their desire to attempt recovery to the teacher within five days of the grade being posted in TAC/HAC. All recovery work must be directly related to course objectives and must be completed ten school days prior to the end of the semester.

NOTE: Content course teams have the flexibility of implementing more liberal recovery policies providing all teachers on the team are consistent in their practice and the policy is shared with students and parents.

Grade Level Assignments

Students will stay with their class for all school activities for their freshman year only. Assignments beyond the freshman year will be determined by the number of credits (units) the student earns. To be promoted to the next level, freshmen must earn five credits, sophomores must earn 11 credits, and juniors must earn 17 credits.

Student Health

Student Health Services requires that students who are sick, contagious and/or have a fever greater than 100.4 **NOT BE SENT** to school. In order to return to school, a student should be fever free for at least 24 hours. If a student becomes ill at school, he must report to the clinic immediately. In the event a student runs a fever, has a potential contagious illness or a more serious health problem while at school, the parent will be notified to pick up his child immediately. We will not allow a student to drive himself home if he does not seem able to do so safely. A note may be needed from a doctor in order for a child to return to school. It is the parent's responsibility to keep the student's health and contact information updated.

Friends/relatives should be listed as emergency contacts for students when parents cannot be reached. This is extremely important if parents are unable to pick up their children in an emergency. It is best for students to take medication at home, before or after school. High school students may carry medications in the following categories (acetaminophen, antacids, aspirin, cough or throat lozenges, ibuprofen, and oral antihistamines) with them during the school day, field trips or other school-related activities (no form necessary). Medications must be in the original containers and can never be shared with other students. This privilege can be revoked at any time if a student is not complying with the medication policy. With the proper forms completed, we strongly encourage students to carry emergency medications such as Benadryl, inhalers, epipens, and diabetic medication in addition to keeping a "back up" in the clinic. Controlled substances must be appropriately stored in the clinic. The clinic does not keep a supply of ibuprofen, acetaminophen, or any other over-the-counter medicines and cannot dispense them. If parents need the clinic to administer, supervise, or store **any** medication, an authorization form with a doctor's signature needs to be provided with the medication in the original bottle. Please contact the clinic at extension 44640 with any questions or concerns.

Honor Code

Every Roswell High School student is honor bound to refrain from lying, cheating, and stealing. Lying is the student's intentional falsification or denial of fact or the student's intentional creation of a false impression. Cheating is giving, receiving, or attempting either to give or to receive unauthorized help that could result in an unfair advantage in a student's completion of schoolwork. Cheating is the representation of another's work as being one's own. Stealing is the taking of anything without the consent of the owner. Teachers may have students sign a pledge that they have neither given nor received any help or assistance on a test, activity, or examination. When students are aware of an Honor Code violation, they should report the violation to a teacher or an administrator. Teachers are responsible for both handling and reporting Honor Code violations. The degree of judgment will vary with the severity of the infraction. Teachers will deal with Honor Code infractions regarding homework, class assignments, and quizzes; administrators will meet with student, parent(s), and teacher to deal with infractions regarding tests, research and major papers, etc. **Students will receive a zero on the assignment and may receive further**

disciplinary action. Honor Code violations will result in dismissal from the National Honor Society and Beta Club. They may jeopardize grades, extracurricular participation, and faculty-based selections.

Lockers

Hall lockers are issued through homerooms. Locker rental is \$15.00 per year. Only one student is assigned per locker. **The student to whom the locker is assigned is responsible for the content and security of the locker. Sharing of lockers is not allowed. Any loss of property as a result of sharing lockers will be the responsibility of the student.** The school bears no responsibility for students' personal items. Note: Searches of specific lockers or locker areas may be conducted by school personnel at any time to protect the safety and welfare of the student body and staff. Physical education lockers are issued by the P.E. teachers each semester. The rental is \$5.00 per semester. *Students must exercise due diligence in securing their items by locking their personal property in an approved locker.*

Per Fulton County Policy, students may ride/board/exit only their assigned bus unless approved by an administrator.

Dances

Dance chaperones must be parents and teachers. The school is not responsible for lost articles. Students leaving a dance before it is over may not return. Students attending the prom are required to attend school on the last school day before the prom.

Students will not be admitted to prom after 10:00 p.m.

Student Clubs and Organizations

Students who are involved in clubs and organizations are better-rounded, involved and successful students. Clubs and student organizations expose students to a multitude of ideas and philosophies that promote stronger academics, build leadership qualities, create ties to the community, and encourage service. Clubs and organizations are designed to complement the academic mission and vision of the school.

Guidelines for Chartering Clubs and Organizations

Do we want a club request window?

Posters/flyers must be pre-approved and stamped by an assistant principal or designee prior to being displayed in designated areas. Posters/flyers may not display religious or political symbols or statements. Posters which may be detrimental to the health and welfare of the community and in poor taste will not be approved.

Student Services

At Roswell High School, counselors work with students individually and in small and large groups. Counselors provide the following services:

- Conduct classroom guidance through study hall with 9th grade students to develop a four-year plan for graduation
- Meet with 11th graders and their parents to do a graduation status check

To see a college representative, a student must

- See a counseling secretary to sign up and receive a pass.
- Obtain teacher approval and signature on a pass giving permission for student to attend.

Follow these procedures at least 48 hours before the designated visitation time. Students are encouraged to attend visitations starting in their sophomore year.

Roswell High School College and Career Center

Roswell Student Services created “The Hub,” a new student-centered space for college and career preparation, student seminars, parent coffee talks, and student mental health support as needed. It can transform from a quiet place for students to “chillax,” to a busy work space, with students and parent volunteers exploring post-secondary options. Programs provided in The Hub include College Visits, Career Seminars, Test Prep support, College Exploration and Application help, and study space during lunch, to name a few.

The Hub is located in the Student Services Office, next door to the clinic.

Student Records

Roswell High School complies with the Federal Education and Right to Privacy Act (FERPA). Student attendance, discipline, academic, or any personally identifiable information in education records other than directory information, shall NOT be released unless

1. There is written consent from the student’s parents specifying records to be released, the reason for such release and to whom.
2. Such information is furnished in compliance with judicial order or pursuant to any lawfully issued subpoena provided that parents and the students are notified of all orders or subpoenas in advance of compliance.

3. Such information is furnished to teachers with legitimate educational interests or officials of other schools or school systems within the public schools of Georgia in which the student seeks or intends to enroll.

Consistent with Fulton County procedure, a student's discipline or attendance records are not part of a student's permanent record. Therefore, Roswell High does not forward discipline or attendance records to a college unless specifically requested by the college or university.

Attendance

Absence is one of the major causes of poor work and failure in school. It is the position of the administration and faculty that every class meeting is important. Anything less than perfect attendance will have a detrimental impact on the grade and learning for the semester. Studies show that frequent absence is a predictor of future dropouts. A note signed by the parent or legal guardian explaining the nature of the absence is required within five days of the student returning. Missing 30 minutes or more of a class period constitutes an absence.

O.C.G.A. Law

The Fulton County Board of Education considers regular school attendance essential to successful school progress. Students must be present to take full advantage of available educational opportunities. The Board supports vigorous enforcement of Georgia's Compulsory School Attendance Law which makes school attendance the responsibility of the parent and the student. When possible, parents should avoid scheduling or arranging activities that require absences during the school day due to the detrimental impact on the student's access to, and progress in, their educational program. Any child in the state of Georgia subject to compulsory attendance who during the school calendar year has more than five (5) days of unexcused absences is considered truant (Georgia State Board of Education Rule 160-5-1-.10). Board Policy JD, Student Discipline, outlines consequences for failure to comply with this law. The district also maintains a Student Attendance Protocol pursuant to O.C.G.A. 20-2-690.2 which contains detailed information regarding truancy procedures and referrals. A copy of this Protocol can be found on the district website.

Late Arrivals/Early Checkout:

1. A parent or guardian may be required to bring appropriate documentation for early checkout at the time the student is released from school or late arrival at the time the student arrives at school
2. A student is tardy when he/she arrives to school after the beginning of the official school day or is not in the assigned class at the official beginning of the class period.
3. A student tardy may be classified excused or unexcused based on the circumstances defined in this policy.
4. Fifteen (15) unexcused tardies result in a referral to the school social worker.

Principals may develop additional guidelines concerning tardies in their buildings.

Excused Absences

In accordance with State Board of Education Rule 160-15-1-.10, a student's absence from school or class will be considered excused when it is due to any of the following circumstances.

1. Personal illness of the student
2. Attendance at school would be detrimental to the health of the student or others

3. A serious illness or death in the student's immediate family necessitating absence from school
4. Compliance with a court order or an order issued by a governmental agency, including an order for a pre-induction physical examination for service in the armed forces, mandating absence from school
5. Observance of religious holidays, necessitating absence from school
6. Conditions rendering attendance impossible or hazardous to the student's health or safety
7. An absence not to exceed one-half day for registering to vote. Students may register to vote at their high school
8. Up to six (6) school days per year to visit with a parent or guardian who is on leave from, or is being deployed to military service

Additionally, the District allows excused absences for the following:

1. Absences not exceeding a cumulative total of six (6) days per school year for the following reasons, but only if the absence has been pre-approved by the principal of designee:
 - a. Scholarship interviews/college visitations
 - b. Travel opportunity with educational benefits
 - c. Graduation or wedding of an immediate family member
 - d. Specialized, supplemental or extracurricular experience
 - e. Other circumstances that are mutually agreeable to the parent and principal
2. Individual or groups of students may be absent from a segment or period of the instructional day for school-sponsored, non-instructional activities as defined in Policy IED - Uninterrupted Instructional Time.
3. School days missed as a result of an assigned out-of-school suspension/expulsion.
4. Additional absences due to medical appointments may be excused by the principal or designee. These absences must be approved by the principal or designee in advance of the absence occurring. The parent/guardian must provide appropriate documentation as outlined in this policy. The final decision to excuse such an absence rests with the principal.
5. Students participating in Move on when Ready should not be counted as absent. It is the responsibility of the student and/or parent/guardian to present a satisfactory written excuse to the principal or designee(s) within **five** (5) days of returning to school from an absence in order for the absence(s) to be recorded as excused. The excuse must state the reason for the absence and be signed by the student's parent or guardian. Excuses will be kept on file at the school at least until the beginning of the next school year. Students who have missed ten (10) days of school or more in a school year will be required to provide additional written verification such a doctor's statement.

Absences Recorded as Present

1. Students serving as pages in the Georgia Assembly shall be recorded as present.
2. Foster care students are students who are in a foster home or otherwise in the foster care system. A foster care student who attends court proceedings relating to the student's foster care should be recorded as present by the school and school not be counted as absent for any day or portion of day.

Unexcused Absences

A student's absence from school or class for any reason other than those listed above will be considered an unexcused absence. Unexcused absences may result in disciplinary action. Please see Operating Guideline JD-Student Code of Conduct, Attendance Section and Rule 12: Unexcused Absences for additional information.

Make-Up Work

1. Principals should ensure procedures are in place for the timely provision of make-up work
2. Make-up work may be requested before, during or after the student's absence. However, availability of make-up work prior to an absence will be provided at the discretion of the teacher.
3. Textbooks and other instructional materials may be requested for the student's use during the period of absence and must be returned promptly when the student returns to school.
4. Upon returning to school following an absence, it is a student's or parent/guardian's responsibility to contact the teacher or teachers to request make-up work. The contact should be made on the day the student returns to school unless the teacher allows a longer time.
5. School days missed as a result of an assigned out-of-school suspension/expulsion are considered excused absences (see circumstance 3 under "Excused Absences" above). Therefore, students who are assigned a suspension/expulsion who are not participating in the alternative education program are permitted to make up their work pursuant to the provisions of this policy.
5. Make-up work must be completed by the student within the time specified by the teacher. Work missed during the last week of the semester must be made up by the tenth school day of the next semester.
6. Grades for make-up work will be earned per the following:
 - a. Elementary students will receive the actual grade earned on any make-up work submitted on time, regardless of whether the absence is excused or unexcused.
 - b. Final course grades of middle and high school students shall not be penalized because of absences if the following conditions are met (1) the absence is for one of the reasons listed as excused previously; (2) a written excuse has been submitted in accordance with this Board policy; and (3) the make-up work has been completed satisfactorily within the time specified by the teacher.

Parent Notification/Involvement

It is the responsibility of the classroom teacher to take attendance and notify the school administration of absences. Local school administrators shall establish effective means of communicating with parent(s)/guardians(s) about students regarding individual student attendance. Each school is required to notify the parent, guardian or other person who has control or charge of the student when such student has five (5) unexcused absences. The notice shall outline the penalty and consequences of such absences and that each subsequent absence shall constitute a separate offense. After two (2) reasonable attempts to notify the parent, guardian or other person who has charge of the student, the school shall send a written notice via first class mail.

Attendance Procedure

Any student who has been absent from school shall present a written excuse before school begins to the attendance clerk within 5 days of returning to school. The excuse must state the reason for the absence, include a telephone number where the parent can be reached, and be signed by the student's parent or guardian. Students who have missed 10 days or more of school in a school year will be required to provide additional verification including doctors' statements.

Student/Athlete Attendance:

Athletes must be present one half of day (12:05 p.m.) on the day of any event for eligibility to practice or play in games.

Preapproved Absences

At all grade levels, preapproved absences are granted as excused absences. Approved absences will be limited to six days for an entire school year. However, preapproved absences will not be granted during the final two weeks of each semester. The final decision for approving the absence rests with the principal.

The decision for approving the absence will be based on overall attendance record of fewer than 6 unexcused absences and fewer than 6 tardies and nature of the request. A preapproved absence does count as an absence for attendance records. Parents' notes requesting prearranged absences should be given to the attendance office three days in advance. If the absence is approved by the principal, the student will be given a form for each teacher to sign prior to the absence. Prior to the absence, students may request work to be missed during the absence.

College Visitation

Seniors and juniors who are planning to attend college may take up to six college visitation days prior to May 1. No college visitation days will be granted during the final 2 weeks of each semester. The preapproved absence policy applies to college visits. Parent notes requesting pre-approved college visits should be given to the attendance office and need to be submitted for approval 3 school days prior to the college visit.

Extended Absences:

Student work may be requested by calling the student services secretary when a student is absent four or more consecutive days. The parent will be able to pick up the missed work at the end of the day following the request.

Illness at School

Students who do not attend class due to illness at school must report to the clinic immediately. Failure to do so constitutes a class cut.

Checking Out

To arrange a checkout, the student must take a written request, signed by the parent/guardian, to the attendance office before school. The request should include the reason for the checkout, parent/guardian signature, and a telephone number for parental verification. The request will be verified, and the attendance clerk will issue a checkout pass to the student. When it is time for the student to leave, the student will show the teacher the checkout pass. The student must check in and out through the attendance office (not the clinic). If student is checking in or out for a doctor's appointment students must present a doctor's note within 5 days of returning to school. Failure to check in and out through the attendance office may result in disciplinary action. There will be no walk in checkouts after 3:15 p.m.

Check-out/Check-in Rules

After the fifth check-in/check-out, from the attendance office or clinic, a doctor's note will be needed for an excused absence to be considered. Exceptions for serious medical problems will be handled on an individual basis. Checkouts during final exams will be only be allowed between the exams with parent pickup. Once on campus, students may not leave without checking out through the attendance office. (If students are not in school for the full day and come on campus for any reason, they must check in and out of school.) Students arriving on campus after 8:20 a.m. are required to check in at the attendance window.

Internship Program/ Work-Based Learning Dismissal

Students on Internship/Work-Based learning programs must leave the campus upon dismissal from classes. Students who fail to abide by this rule will be given one warning. On the second offense, they may be assigned to a study period and will forfeit their early release.

Tardy to School

Students tardy to school must report to the attendance office before going to current class. Students may not enter the classroom without a pass from an administrator or attendance clerk. Tardies to school will follow the discipline cycle for tardies to class with the addition of loss of parking privileges if a student exceeds 6 tardies to school per year. Excessive tardies are considered by the administration to be failure to follow instructions to arrive at school/class on time.

Tardy to Class

Students late to class are required to sign the teacher's tardy book. The following disciplinary consequences will result for

tardies to class and unexcused check-ins to school:

- 1 to 3 tardies- Teacher warning/detention
- 4 to 6 tardies- Public detention
- 7 to 9 tardies- Friday School
- 10 or more- I.S.S.

Cumulative Tardies to All Classes

- 11 or more tardies – I.S.S

Truancy and Class Cuts

Truancy, class cuts and leaving campus without permission are considered major violations.

Field Trips/School Activities/Athletic Checkouts

In order to participate in a field trip, school activity, or athletic event, students must have a record of regular school attendance. Students with excessive absences or tardies (i.e. 5 or more absences/5 or more tardies per semester or major discipline issues/violation) may forfeit the opportunity to participate.

Cell Phone/Telephones

Cell phone use must not disrupt the educational process or violate Board policies. Inappropriate cell phone usage will result in disciplinary consequences, including confiscation of cell phone by school administration. Students may use school telephones with permission from school personnel.

Driver's License

In order to apply for a driver's license or learning permit, a student must obtain a Certificate of Enrollment from the attendance office. Certificate of Enrollment must be requested 48 hours prior to pick-up. The cost is \$1.00 to be paid at the time of request. Additionally, a student must meet the following conditions:

- To be currently enrolled or have been enrolled for one academic year prior to this or present two consecutive semesters.
- Not found in violation by a hearing officer, panel or tribunal on serious disciplinary offenses including:

1.) threatening, striking or causing bodily harm to a teacher or other school personnel 2.) possession or sale of drugs or alcohol on school property 3.) possession or use of a weapon on school property or at a school- sponsored event 4.) any sexual offense prohibited under chapter 6 of Title 16 and E causing substantial physical or visible bodily harm to or seriously disfiguring another person, including another student. Students may be in danger of having their driver’s license or permit suspended by the Georgia Department of Driver’s any of the above reasons as well as dropping out of school before their eighteenth birthday. The suspension of the driver’s license or permit shall be the period of one year or shall end on the date of the minor’s eighteenth birthday, whichever comes first. Students and parents will receive warning of the TAADRA law if the student accrues more than 5 unexcused absences in a school year.

Exam Exemption Policy

Student attendance is a determining factor for eligibility for exam exemption. Students with a passing grade, no more than 3 excused absences and no unexcused absences, no ISS/OSS, no more than 2 Friday Schools, and no academic dishonesty violations may exempt the following number of final exams each semester:

9 th grade	1 exam
10 th grade	2 exams
11 th grade	3 exams
12 th grade	4 exams

Individual classroom teachers will keep track of student absences for the purpose of determining eligibility for exemption. Pre-approved college visits (up to 6 per school year) for 11th and 12 grade students will not impact exemption eligibility. Observance of a religious holiday will not impact exemption eligibility.

Absences are coded excused only if proper documentation is submitted to the Attendance Office within three days of returning to school. Parent notes should include the reason for the absence and a telephone number (same as what is listed in E-School) where the parent may be reached for verification. Additional verification beyond a parent note is required once the number of absences exceeds ten. An absence is considered excused when it is due to the following circumstances:

- Personal illness of student; Attendance would be detrimental to the health of the student or others Attendance jeopardizes the safety of the student (as determined by the administration)
- Death in the student’s immediate family necessitating absence from school
- Compliance with a court order or order issued by a government agency, including a pre-induction physical exam for armed forces service
- Observance of a religious holiday
- Serving as a page in the Georgia General Assembly

The accumulation of any three unexcused tardies to a class or early check-outs will equate to an absence for the purpose of determining exemption eligibility.

- 1 absence + 7 tardies/check-outs results in ineligibility
- 2 absences + 4 tardies/check-outs results in ineligibility
- 3 absences + 2 tardies/check-outs results in ineligibility
- 0 absences + 10 tardies/check-outs results in ineligibility

In instances where a student feels he/she should be allowed to exempt when the above conditions have not been met, an appeal may be made to the grade level administrator. The decision of the administrator is final. Exam exemption does not apply to courses with an EOC, AP courses, and TAG Internships.

Assignments for Suspended Students

Students suspended out of school for more than three days have the opportunity to obtain assignments by contacting the teacher to receive assignments. Students suspended out of school must not be on school property for any reason at any time, including extracurricular social activities, practices and/or sporting events. OSS is considered an excused absence.

Discipline

Certain forms of student misconduct or disobedience of classroom rules, school rules, or Board policy make it necessary for disciplinary action to be taken. This misbehavior may occur either at school or at school-sponsored activities. The goal of disciplinary consequences is to change student behavior.

Fulton County Policy IFBGB (3)

The Internet is the collective name for thousands of computers worldwide, which are connected through phone networks. The computers communicate with the same protocol and have an established Internet address. It is similar to a library of books, written in the same language and having a call number.

However, one difference between the Internet and the Information Technology Center is that our books are acquired according to School Board approved guidelines. Selection of Internet resources, on the other hand, is

decided by the end user. The user carries the responsibility of selecting appropriate items to view. This policy describes user behavior and identifies what actions are prohibited.

Services

Student access to the Internet will only be provided through the Fulton County Schools local/wide area network and the school's Internet provider.

Access to the school Local Area Network (LAN) is a privilege available to all students; however the account access may be disabled if student use is inappropriate.

Terms and Conditions for Local/Wide Area Network and Internet Access

In the least, the offenses above could result in the student being denied access to the network for a specific period of time. The overall goal of this discipline is to make the student a responsible, considerate and ethical user of online resources.

Restrictions:

Parent(s) and Guardian(s) of minors are responsible for setting and conveying the standards that their child or ward should follow. To that end, Fulton County Schools supports and respects each family's values regarding LAN and Internet access.

Conditions of Use and Account Management:

Students who access the LAN automatically agree, through a statement on the computer screen, to abide by the restrictions outlined in Fulton County Schools policy for acceptable use. The specific conditions and services being offered may change from time to time. Each student will receive education about appropriate online behavior, including interacting with other individuals on social networking websites, blogs, wikis, discussion boards and in chat rooms, and cyber bullying awareness and response.

Parents and students should be aware that Fulton County Schools does not have control of the information on the Internet, nor can it provide impenetrable barriers to accessing the full range of information available.

Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. All Fulton County Schools students will be assigned their own network account name with password. Passwords should not be given out to anybody.
