Greetings to the Roswell High School Community,

Many of you have expressed concerns about the lack of traffic control at school in the morning and during our afternoon dismissal. We found out this summer that the City of Roswell, for many reasons, would no longer be able to provide crossing guards. Working with the Fulton Schools Police, we have been trying to find law enforcement officials who would be willing to make a little extra money to assist with traffic control. Despite reaching out to various jurisdictions, we have not been able to locate anybody willing to assist. If you know of any sworn law enforcement officials that would be willing to commit to assisting with traffic in the morning or afternoon, please let me know. We do have our own two School Police Officers but there are times where their duties prevent them from being able to handle traffic duty.

In the meantime, please be careful around school and allot yourself some extra time in the morning and afternoon.

Thanks for your help and understanding.

Finally, a reminder that *Open House is September 13, 2018 at 6:30 pm*. More information to follow but please mark your calendars now.

Please continue reading for some additional information and some accolades.

We have almost completed the Surface Device roll-out. If your student did not receive one, please ask them to go by the media center.

Cross Country

Once again, the Roswell Cross Country team had a great showing at the Wesleyan Varsity Meet last weekend. The Roswell team did great as the Girls Varsity finished first and the Boys Varsity placed second. The JV Girls and JV Boys also took first place. The top 15 finishers are listed below. You can see the full results by clicking [HERE](#).

Varsity Football

Congratulations to the Varsity football team as they began their season with a 42-14 win over Campbell High School at home. You can read more about the game by clicking [HERE](#) and [HERE](#).

The Varsity football team takes on neighborhood rival Centennial at home next Friday night. Hope to see you there to begin your Labor Day weekend.

Elementary Schools

As you may know, our athletes regularly visit our local elementary schools to encourage and read to the future Hornets. Thanks to the football players and cheerleaders who visited our local feeder schools (images from @RNEPrincipal).

The Buzz

Have you seen the first episode of *The Buzz* for the 2018-19 school year? Created by our very own Broadcast Video students, under the leadership of Mrs. Funderburk, *The Buzz* is presented to the students every Friday morning. Please click [HERE](#) to watch.

This Friday's varsity football game versus Centennial is Youth Night! More information on the next page. Hope to see you there.

Again, thank you for all your help and support. Please always feel free to let me know if I can be of any assistance.

Sincerely,

Robert

Dear Roswell Community,

Football season is upon us and we are all excited for the community to come together and support our Hornets!

Our first big event is Youth Night, which will be run differently than past years. It truly is one of our favorite nights of the year. We love seeing all our future Hornets taking part in pre-game activities. This year, with the help of the cheerleaders and Student Council, we are offering a pre-game family and community tailgate. There will be bounce houses, a giant slide, a field goal challenge and a live DJ!

Wristbands will be provided to those purchasing a ticket to the tailgate at the lacrosse field entrance. The wristband will gain you access to the tailgate, all activities at the tailgate, the game and a meal from the concession stand (chips, drink and either a hamburger or pizza). Wristbands will be \$10.

If you choose to only attend the game, all tickets will be \$8 at the gate. This is for all parents and all students over the age 5.

The information below details the logistics for Youth Night:

- Community tailgate will begin at 5:30 on the Pete Poulos Practice Field. Tickets for the tailgate are \$10 per attendee (students and parents) and will gain you entrance into the tailgate for games and fun, as well as entrance into the football game. Additional food will be available for purchase as well.
- To participate in the tailgate, enter through the lacrosse field gates. Tables will be set up to receive you. Parents and students will be receiving a wristband to signify their participation in the youth acknowledgements. Parents, please be prepared to write your phone number on your child's wristband in case of emergency.
- At 6:15 parents can escort children to the lacrosse field. Cheerleaders and parent volunteers will be ready to stage students in line with their schools.
- From 6:45-7, students will be led around the track and presented to the fans in the stadium. They will be walking from the practice field towards the field house.
- From 7-7:15, students will form a tunnel for the football team as they enter the field and prepare for kickoff.
- After the football team runs through their banner, students will be taken back to the lacrosse field, and will stand with their school until parents arrive to retrieve their children. This will be at approximately 7:30.
- Please plan to pick up your children at 7:30 on the lacrosse field.
