

TRI-CITIES HIGH SCHOOL

is going CASHLESS

What does “cashless” mean? Tri-Cities will no longer be accepting cash or money orders for field trips, club dues, fines, spirit wear, etc. All payments will be made through OSP Online School Payments. **You will not be charged a fee to use your credit or debit card.**

Fulton County Schools has made the decision to absorb the credit card transaction fees at the county level. Our CFO has decided to do this to reduce the administrative burden on teachers and support staff in processing payment collections. More time to spend on STUDENTS!

OSP is a simple, safe, secure and convenient way for parents to make online payments. Students will no longer need to carry cash/checks to school and remember to turn them in! It allows you to make these payments 24/7 from the comfort of your own home. Also, full payment histories are available to you at any time and refunds can happen with a click of a button!

If you have extenuating circumstances (e.g. no internet service in your home, no cell phone, no debit or credit card), there are alternatives. You can purchase a reloaded visa card from your local store (Walmart, Walgreens, CVS, Family Dollar, etc.) as these cards are accepting on the OSP system. You may also use our computers here at the school in our Parent Resource Center if you do not have access to a computer or cell phone. See your child’s teacher for more information if needed.

Directions for OSP School Payments

Website: <http://osp.osmsinc.com/fultonga> (You can access the OSP icon on the bottom right of the school homepage)

The first time you visit the site, you will create a logon and add your TCHS student to your profile. **Please note that you will need to know your student’s FCS ID number in order to register.** Your student will know this as their “lunch” number or you can find this on your student’s report card. Please do not call the front office as they are not able to provide this information to you via the phone. All non-fine items will be listed for you to select and add to your cart. For fine items, you will have received notice of the amount to pay from the school. You will then click on Pay Obligation at the top and select the type of fine you are paying.
