

Dear **Westlake High School** supporter,

TrueBlue Schools is a fundraising program that has helped **Westlake High School** receive donations from Georgia Natural Gas. With TrueBlue Schools, **you don't donate anything and there's nothing to sell**. Just sign up to participate, select Westlake as the school you wish to support, and **Westlake High School** earns a donation every time you pay your natural gas bill, something you're already doing every month.

Here's how it works:

1. Switch your natural gas service to Georgia Natural Gas using promotion code **TRUEBLUE**. Switching is easy at TrueBlueSchools.com or by calling **1.866.ONLYGNG**. TrueBlue participants can receive a discount up to **\$0.15 per therm*** off their monthly gas bill.
2. Once you become a Georgia Natural Gas customer, or if you already are a customer, visit TrueBlueSchools.com to enroll and select **Westlake High School** to earn donations.
3. Every month Georgia Natural Gas will donate \$5 per month to **Westlake High School on your behalf....just by you being a GNG customer**. So please share this with your friends and family and ask them to select Westlake High School. If **100** people sign up and select our school, we earn **\$6,000** over the year. If **200** people sign up, that's **\$12,000** in one year. You get the picture.

Donations checks are sent to the school PTA quarterly, so we benefit from the earnings right away. Plus, we can use the money for ANYTHING.

Make the switch to Georgia Natural Gas to show your school spirit and support for Westlake High School. If you have any questions about the TrueBlue Schools Program or Georgia Natural Gas, please feel free to email our Georgia Natural Gas contact Erika E. Douglas at erika.douglas@southstarenergy.com

Sincerely,

Grant Rivera
Principal
Westlake High School
